

Building Underway At GC Steel North Plant

Half-Million Dollar Structure To House 2nd Galvanizing Line

Expansion of the North Plant of Granite City Steel Co. was started last week with issuance of a building permit by the city for construction of a \$531,000 fabricated steel building for a second continuous galvanizing production line.

In addition to the plant construction, 19 other building permits were issued during the first week of August, including 13 for home improvements to a cost of \$19,172; two for commercial structures valued at \$45,000; three for garages and a carport to cost \$1800 and one to place a \$3000 house trailer on a vacant lot. The overall total for the week's permits was \$59,972.

The new building at Granite City Steel's North Plant will be 250,000 feet in dimension to house equipment for increasing production of flat, galvanized steel. The product used for duct work, farm equipment, home appliances and in the manufacture of automobiles.

The new galvanizing line is a part of an expansion program announced last year by Nicholas P. Vender, chairman of the board and president of the company. It is scheduled for completion in late summer 1961 and will broaden the firm's line of galvanized products.

Flat galvanized steel currently is one of the fastest growing items in the steel industry, and Granite City Steel is rated one of the largest producers in the country of galvanized steel for roofing and siding.

M. H. Wolfe & Co. is the contractor.

Commercial Permits
A \$40,000 commercial permit was issued for construction of a 12-room, two-story brick building at 2350 Benton street. It will house the offices of Dr. W. B. Heide, local chiropodist, on the first floor, and there will be living quarters on the second floor.

William Weigel obtained a permit to erect a 24x24 concrete block service garage at 1392 Edwardsville road, estimated to cost \$5000.

The permit for placing a \$3000 house trailer on a vacant lot at 2838 Cayuga street went to Charles Carney.

Home Improvements
Home improvement projects are being carried out by the following: Mrs. Evans J. Griffith, \$4072 for an addition at the rear of 2652 Iowa street; Omar Ruck, \$2000 for a two-room addition at 1637 Moro avenue; Clifford Hoebecke, \$1800 for remodeling and a carport at 3225 Davis avenue; Daniel Linder, \$2000 for repairs at 2125-27 Delmar street; Ben Forshie, \$1500 for remodeling at 2578 Washington avenue; Robert W. Stearns, \$1000 for a porch at 3003 East 23rd street; J. J. Corcoran, \$2000 for a one-room addition at 3123 (Continued on Page 3, Col. 5)

Crash Victim Dies; 15 Hurt In Area Traffic Accidents

An Edwardsville man, Wilbur G. Burroughs, 76, who was injured critically in a one-car traffic accident last Tuesday afternoon, died shortly before 9 p.m. Saturday at St. Elizabeth Hospital here. He is the area's ninth traffic fatality of the year, as compared to 17 during the same period in 1959.

In weekend traffic mishaps, 15 persons were hurt—two critically—in eight or 19 accidents reported in and near the Quad-Cities area. Those hurt critically were a three-year-old Venice boy, who was struck by a car on Market street, and a Granite City woman who was riding in an auto involved in a two-car head-on collision on Route 162 near Stallings. A six-year-old boy riding a bicycle was struck by an auto and injured this morning in Granite City.

Burroughs suffered severe head injuries in the accident which killed his wife, Elizabeth, 73. He was driving north when his auto crossed the highway.

Ross Cycled Injured
Young Wideman, 6, son of Mr. and Mrs. John Wideman of 2215 East 23rd street, was admitted to St. Elizabeth Hospital late this morning after he was struck by an automobile while riding his bicycle near the intersection of Lincoln and Bromley avenues.

The driver of the auto, Mike Gancheff, 63, of 1201 Iowa street, Madison, told police he was driving north on Lincoln avenue and that the boy rode directly into his path on Bromley avenue. Gancheff said he was unable to stop his car in time to avoid striking the youth. The accident occurred at 10:55 a.m. Young Wideman, whose father is employed at the Granite City Engineer Depot, suffered abrasions to the right side, left arm and right knee, lacerations to the left ear and bruises on the left side of his head. X-rays of an automobile while riding his bicycle near the intersection of Lincoln and Bromley avenues.

Lightning Wrecks Home In Madison

Ceilings, Light Fixtures Fall, Siding Torn Off; Loss Set At \$4000

Lightning which struck at 6:29 p.m. Saturday caused several thousand dollars damage to the five-room frame home of Mr. and Mrs. George Tarasovich, 820 Washington avenue, Madison. They escaped injury.

The bolt, which hit during a 45-inch rain and severe wind storm, tore siding off the front of the house, knocked down the front porch ceiling, caused plaster to fall from ceilings in the living room and two bedrooms, ripped the entire ceiling off of the front hallway and blew out every electrical outlet in the house. Wall light switches and electrical outlets were literally blasted out of the plaster and every ceiling fixture fell.

Mr. and Mrs. Tarasovich were in the kitchen, the room with the least damage. They were preparing to sit down to the evening meal when the lightning struck and the ceiling fixture dropped to the table.

Deafened By Crash

"It struck me on the head as it fell," Mrs. Tarasovich said. "I didn't know what happened. I was stunned. It made me deaf for several minutes."

Tarasovich, unemployed, said he also was deafened momentarily. He and his wife ran from the house, not knowing what had happened. Once outside, a neighbor told them their house had been hit by lightning. The Madison volunteer fire department was summoned, but there was no scorch mark on the living room rug where it was near an electrical outlet.

\$4000-\$5000 Loss

Tarasovich estimated the damage at \$4000 to \$5000 and said he had no insurance. "I've been sick with a mild case of Luetemia and I haven't worked since March 1. He had been employed as a boiler washer at General Steel Castings Corp.

Neighbors relatives and friends immediately went to the assistance of Mr. and Mrs. Tarasovich in cleaning up the debris and placing plywood over the roof.

GC Tax Collection To End This Week

Granite City Township Tax Collector Frank Sappington has extended the deadline for tax payments through Wednesday, it was learned today. He plans to contact by telephone property owners who have not yet paid 1959 tax bills.

The amount paid so far this year totals \$4,743,395, with \$153,540 being paid Thursday, Friday and Saturday.

LIGHTNING DAMAGE in the home of George Tarasovich, 820 Washington avenue, Madison. The bolt hit at 6:29 p.m. Saturday, Tarasovich (shown above in hallway) and his wife, Ann, who escaped injury, estimated the damage at \$4000 to \$5000.

Area Employment Expected To Jump

An increase in employment in the Quad-Cities area is predicted for next month by the local office of the Illinois State Employment Service, Nianticus avenue and Cleveland blvd.

Employment is expected to jump to 16,243 from the July figure of 15,752 reported by 62 firms, a gain of 491 jobs. The July employment figure was down 138 from the May report.

In July 1959, the area's employment total was higher—16,540. The employment gains anticipated in the two-month period are in furniture and fixture firms, 172; primary metal industries, 322; printing and publishing, 6; chemicals, 11; rubber and plastics, 3; contract construction, 4; transportation and warehousing, 27.

Increases will be partially offset by several expected cutbacks—22 in food products line, one in fabricated metal production firms and five in retail trades.

GC Police Predict 88 Traffic Mishaps

The Granite City police department's traffic accident prediction for August is 88 mishaps, it was announced today.

The 88 count is two less than the 90 which actually occurred in July. The police department prediction for July was 87.

In August 1959, there were 79 traffic accidents with 20 personal injuries in the city.

Two-Way Traffic To Begin Aug. 16

9th And State Streets Involved In Changeover In Business District

A target date of Aug. 16 has been set for two-way traffic to be resumed on State street and on 19th street in the downtown business district, it was announced today by Police Chief Raymond Willard.

Directional signs and additional boulevard stop signs are to be erected immediately prior to starting date. "We're making the announcement now," the chief said, "so the motoring public will know in advance what the change will be made."

Outlining the new traffic pattern, Chief Willard said it was decided with a minimum of restrictions. However, more stop signs are to be set up along both streets and the turn-out to be prohibited at 20th street and at Niedringhaus avenue for northbound vehicles on State street.

Both left and right turns will be permitted at the 19th and State street intersection. The only other left turn restrictions will be for westbound traffic on 19th street at the Grand avenue and Edison avenue intersection. A three-way stop at Edison avenue will remain one-way northbound.

Four-Way Stops

Four-way stops will be set up at the 19th and State street intersection and at the 19th street and Delmar avenue intersection. A three-way stop will be established at the 19th and Edison intersection with the new signs to be placed on 19th street at its intersection with Madison avenue to halt eastbound traffic.

For northbound traffic on State street there will be the stop at 19th street at 20th street and at Niedringhaus avenue. The boulevard stop for westbound traffic on 26th street at State street will continue, but no control is planned for eastbound traffic on 20th street at the intersection. It will meet an interrupted flow of traffic in the short block between Edison avenue and State street.

Two Townships Plan Work For Men On Relief

Program May Begin This Week In Nameoki; Later In Venice Twp.

Work programs for able-bodied men receiving township relief assistance are being set up in Nameoki and Venice townships and one is under study in Granite City township, it was learned over the weekend.

Nameoki Township Supervisor Harry Briggs said he has a conference scheduled today with Lester Gentry, field representative out of the Illinois Public Aid Commission office in Edwardsville, and work on roads for about 15 or 16 eligible men may be started this week under the new state law requiring townships receiving state financial assistance to prepare work schedules.

In Venice township, Supervisor W. W. "Cooper" Moore said he has conferred with Mayor Stephen A. Maurus of Madison and Mayor John E. Lee of Venice and is preparing a plan for 10 men to work each week with the street departments of the two cities.

Moore said the program is subject to approval by the IPAC, and he is to meet with Gentry in the near future. About 40 to 50 men are eligible, Moore added.

Both Nameoki and Venice townships receive state financial assistance in relief cases, while Granite City does not. Granite City Township Supervisor Leonard Graft said he has never received any data on the relief work program from the state, but he plans to look into the matter and determine what can be done here. The state sent out data only to townships receiving state funds.

Seeking Data From State

"All city departments are unionized, and I don't know just what kind of work program can be devised at present," he added. "After I hear from the state I will know better just what can be done."

Briggs said the work program for Nameoki township has received tentative approval from the state, and that today's conference with Gentry will determine how soon it will get underway.

"I've worked out the details with the township road commissioner, Charles Hanks, and I believe the 15 or 16 eligible men will be put to work cutting weeds, digging ditches and cleaning culverts," Briggs said.

The men will be credited with the 20-hour work rate under the three regular road workers, Briggs said.

Credit For Work

He explained that should a family be budgeted to receive \$150-a-month relief assistance, any more men the township work the hours needed to "earn" that amount.

"This will be a big help to the highway commissioner. Hanks have many miles of roads, and the township can't afford to hire any more men for the work," Briggs commented. "This won't cause any layoffs for regular road workers," he added.

Venice Supervisor Moore said his township has few roads, but it is likely the able-bodied men can be put to work with the street departments or do some other type of jobs.

Tri-City Shriners Attend

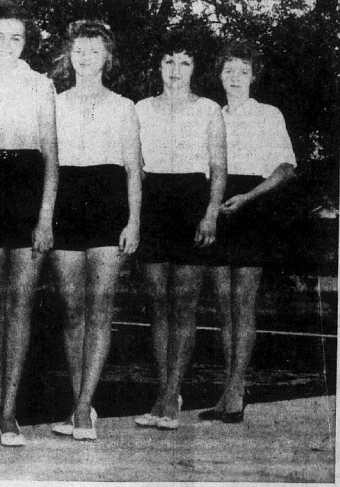

Ceremonial Fire In Olney

Attending Aina Temple's ceremonial and street parade at Olney on Saturday were eight Shriners from the Quad City area. Those taking an active part in the all-day festivities from the Tri-City Shrine club included: Roy L. Wilmzig Jr., captain of the guard of Aina Temple; Al Barbere, Charles Harmon, Robert Voss, George Schumacher, Vincent Scam, Henry Reimers and Wesley Dudley.

Prior to a band concert at the Olney City band shell, 49 candidates were initiated into the organization following dinner served by the ladies of the Olney Shrine club.

Purse, \$3 lost In Park

Calandina Dalton, 2721 Birch avenue, reported to Granite City police Saturday that she had lost a dark brown leather shoulder purse in the vicinity of the Willard Park baseball diamond Friday night. She said the purse contained a pink wallet with \$8 in change and valuable papers.

Miss Sue Tipton, Miss Carol Smith, Miss Jinny Foley, Miss Shirley Johnson, Miss Gloria Martin, Miss Jean Hackney, and Miss Jane Dubigay. Another candidate, Miss Foye Beyer, was not present.

Gala Venice Homecoming Beauty Fete Plans Readied

Leading off a long list of events scheduled for the 13th annual Venice Homecoming starting this Friday will be the crowning of the queen of the beauty pageant, Miss Venice 1960, the 11th beauty to reign under the sponsorship of the Venice Junior Service Club.

Mrs. Isa Bauer, the Junior Service Club's chairman for the contest, expects at least 15 girls between the ages of 15 and 25 to enter the pageant which will be judged starting at 9 p. m. Friday.

Entries already signed up to vie for the queen's title include: Miss Jean Hickney, 17, Miss Sue Tipton, 16, Miss Carol Smith, 16, Miss Gloria Martin, 16, Miss Shirley Johnson, 15, and Miss Donna Faye Berens, 16.

The contestants will appear before a panel of judges, who will remain anonymous until moments prior to the event, first in shorts and blouses, and then in formal dress. They will be judged on such features as appearance, poise, posture, and personality. And the lucky finalist will receive her crown from the hands of the 1959 Miss Venice.

Preliminary Work Completed For New JP Districts

All preliminary work for establishment of justice of the peace districts in Madison county next year has been completed and an outline will be presented to the county board of supervisors at its September meeting for approval, according to Supervisor Harry Briggs of Nameoki township, who is chairman of the county legislative committee.

Briggs said the committee gave its final approval to the plan during a meeting Friday morning at Edwardsville. "We figure it will cost the county about \$57,000 a year of which about \$33,000 will be covered by fines and other receipts," the committee chairman said.

The change of justice of the peace offices from a township to a district level is to be made next April under new state law, and the county committee has set a salary of \$600-a-year for each of the five JPs, \$360-a-year for each office and \$1800-a-year for office expenses.

"The \$53,000 estimated income figure," Briggs explained, "was based on the number of cases and fines sent to JPs and police magistrates throughout the county. Any deficit will have to be made up from other funds."

Under the new state law, the justices of the peace are to be elected by districts and are to take office following next year's April election.

Briggs said the local area — Granite City, Venice and Nameoki townships along with Preble and Chouteau townships — will comprise one of the new districts.

Another will include Alton, Godfrey and Foster townships, while Wood River, Chouteau, Preble, Two and Three, Fox, Russell and Moro townships will make up another district.

The fourth will include Collinsville, Jarvis, St. Jacob, Hottel and Saline townships, and the remaining district will be made up of Edwardsville, Pin Oak, Marine, Alhambra, Hanel, Lee, Ophelpham, Olive and New Douglas townships.

'Is A State Income Tax Necessary?'

Miss Politte Wins Young Democrats Essay Contest

Miss Judy Politte, 17, daughter of Mr. and Mrs. Deane Politte, 2004 Washington avenue, is the winner of the \$25 U. S. Savings Bond top award in the Madison County Young Democrats "Is A State Income Tax Necessary?" Madison Annual Class Essay Contest.

Announcement of the winner was made Saturday by Harold Hillner, past president of the Young Democrats.

Miss Politte, a June 1950 graduate of Granite City high school, plans to enroll at Florida Southern College, Lakeland, Fla. for the fall term. In addition to the savings bond, she and the second place winner, Miss Audrey Gargac, 18, daughter of Mr. and Mrs. Stephen Gargac, 4500 Edwardsville road, will be awarded an all-expense paid trip to Springfield to be guests of state officials this summer.

Receiving honorable mention in the contest open to all senior civics students were Nancy Vretnick, 2217 Edwards street; Janet Moore, 2420 Edison avenue; LaVerne Harvath, 4329 Highway 102; and Martha Little, 2738 State street. The judges were School Supt. Harold M. Kaiser and William F. Winter, Press-Record assistant editor.

Judging was based on depth and knowledge and understanding of the topic, "Is A State Income Tax Necessary?", degree of individual research and thought indicated by the paper and literary style.

Text of the prize-winning essay by Miss Politte follows:

"To provide for the common defense and promote the general welfare could very well describe the purpose of state taxes; however, exercising this tax is certainly more complicated than it appears to be. Many people actually resent the taxes that supply them with many private luxuries and comforts. To attempt listing all these benefits would be long and trying task. Few realize that our education, highways, and penal and reformatory institutions are all state supported. Also provided by taxes is the support of the state government, including the salaries and expenses of state officers, the maintenance of public buildings and offices, the expense of charitable institutions, the equipment of the militia and many other projects involving the expenditure of money.

"Without the appropriation of these state taxes, the states would certainly be an undesirable place in which to live and rear families. Our highways, state parks, and waterways would be uncared for and degenerate, even if we were fortunate enough to have them. Our educational system would be inadequate to meet the high standards that are required in this age, and we would have no hospitals for charity cases. Unless we paid federal tax for these privileges, we would be without them, and they are most essential to the welfare of the nation.

"Today, oddly enough, the income that our states receive from taxes is insufficient to meet the present demands. The evident fact is that a great deal of the states urgently need higher taxes to wipe out deficits or to avoid going further into debt. The spending by the states government has soared to an all-time high, while its income has fallen behind its expenditures. The states are increasing assessments on real estate and raising tax rates and income taxes. Sales taxes are being boosted on a broadening scale. Fees of many kinds are being increased. Yet the demand for more money in the hungry state treasury is becoming more and more prevalent. Not only are the states in debt; they cannot meet the high costs of the essential government services. Neither can the states cut down on these items.

"People are willing to vote themselves new services to make their lives more pleasant when payment can be made by borrowing. Politicians also verify that the people are willing to go along with the increase of taxes and impositions in order to have state-supported luxuries. Among these benefits are new and modern education institutions, up-to-date highways, and improvements in general throughout the state. However, the taxpayers

from surrounding suburbs. Some taxpayers, as a result, may soon be paying four income taxes: one federal, two state, and one city tax, all on the same income.

"Today the need for money in the states is a pressing question: where will it come from? Most likely, it will come from higher revenues due to improving business and the increasing number of taxpayers, also, from an increase in the old reliable, taxes on cigarettes and whiskey, plus sales taxes, higher income taxes, corporation taxes, and different

forms of taxation will be placed on the people. Beyond that, states are searching diligently for untaxed revenues and other means of balancing the budget.

"How can anyone question the necessity of a state income tax? In order to maintain the high standard of living in the states, either a state income tax or an increase in the federal taxes is compulsory. By paying the federal government, state provisions, we would be paying twice or even three times the amount that we now pay for

Retroactive Wage Payments OK'd By Venice Solons

Payment of a total of \$2219 in retroactive wage increases was approved by the Venice city council Friday night. Affecting 31 city workers, the retroactive pay for the three-month period will be made to city employees including all members of the street and police departments.

In the 1960-61 Venice budget, most employees received a blanket raise of \$25 per month, while workers in the street department were afforded an increase of 13 cents per hour.

Building permits issued during July by Building Inspector Arlie Abbot went to Floyd Andrews, 305 Slough road, to build a concrete porch with eight dimensions costing \$2,219.00; and Lois Fitter, 900 Main street, to remodel the interior of the exterior of a building at 118 Bremen avenue housing 12 apartments at a cost of about \$500.

The council also asked Abbot, Fourth Ward Alderman Oscar King and William Gierman and a member of the department to meet with two Weaver street residents who are planning to erect a fence between their adjacent homes. Some question arose at the meeting on whether the fencing port might be a fire hazard to the two homes.

In other business, the council approved the plat of Kerr Island without the streets. Final arrangements will be made by City Attorney Harry Harman and Nick Vassilef, attorney for the Madison County Ferry Co., owners of the island property.

Acting on the suggestion of Hank Smith, Five Ward Alderman and Alloys committee, the council voted to provide reimbursement for damages to homes at 850 Main street and the corner of Main and Kerr street pending a report from consulting engineers. The damage apparently was the result of heavy traffic along Kerr and Main streets.

Chief of Police Robert Trower announced all police cars are now equipped with two-way Federal Communications Commission. He also noted that five were made during July with fines totaling \$649. Of the total arrests, 40 persons paid both fine and court costs, four paid court costs and fines were \$11.51 each, two had both stayed, three were told to leave, and five were allowed to work out the fines on the street department.

One person arrested was released to his parents, one sent to the juvenile office for investigation and later released. One person was released to the Granite City police and bound over to the grand jury and one sent to the county probation officer.

Trustees Confirm School Fund Transfer

Meeting in an informal session Friday morning, school trustees of Granite City and Nameki townships confirmed their decision of a July 29 session to transfer Granite City school district funds to the First Granite City National Bank from the Granite City Trust & Savings Bank, and instructed the treasurer, H. E. Lueders, who opposed the transfer, to determine if the other two trustees, Arthur L. Frazier and Roger Paulett, would reconsider the previous action. However, Frazier and Paulett voted in a second time for the change in depositary.

Commenting on a proposal by Frazier and Paulett for rotating the deposit of funds between local banks every two years, Lueders said he believed nothing would come of it. However, Frazier and Paulett told the Press-Record that they thought the procedure could be carried out satisfactorily. "We are trying to do what is right and fair, and if the rotating program goes well, all three local banks will have turns," Paulett said.

He pointed out that the one bank has been the school fund depository for many years and that the rotation system should be started immediately. "Only a small balance is maintained in the account and non-payment is paid out almost as soon as it goes in because of the school district's anticipation warrants."

Frazier said he further suggested a meeting of all local taxing agencies to work out a program for equal distribution of tax money for deposit at local banks.

Hughes told the Press-Record earlier last week that he opposed the change since the one bank was willing years ago to serve all school districts in Granite City and Nameki townships, prior to the 1950 district consolidation.

Parents Of Daughter

Mr. and Mrs. Robert A. Voss, 2529 Fortune drive, are the proud parents of a daughter born Sunday at Christian Welfare Hospital, East St. Louis. The new arrival, who weighed six pounds, 14 ounces, has been named Theresa Kaye.

Crash Victim Dies

(Continued from Page 1)

Mrs. Oscar E. Rogers, 1216 Market street, was hit in the mid-chest area by the front of the car as he tried to dash across the street to his sister, Alice, who was standing on the opposite sidewalk.

Rushed to St. Elizabeth Hospital, he was treated for possible concussion and contusions and abrasions of the right side of the head and right shoulder. He was later transferred to Children's Hospital for further treatment and observation.

Three persons were hurt, one critically, in a head-on collision of two autos about 8 p.m. Friday on State Route 162 near Stallings.

Admitted to St. Elizabeth hospital were Mrs. Edith Mae Handlon, 61, who suffered a deep laceration cut to her forehead and multiple abrasions, and her husband, William G. Handlon, 53, of 2901 Sheridan avenue, an electrician at General Steel Castings Corp., who suffered a fractured left forearm, cuts to his left arm and right knee and chest injuries.

William Handlon was in critical condition when admitted, and his condition today was listed as serious.

Also hurt in the crash was Charles Grizzle, 44, of Soreto, a construction worker, who was treated for one-inch cuts to his chin, forehead and right elbow. Grizzle was driving west, while Grizzle was headed east and passing 5201 Soreto, when the crash occurred on and off the pavement before the crash, it was learned.

Five persons suffered minor injuries in a two-car collision Sunday evening at 20th street and Grand avenue. The driver of one car was operating an auto in the wrong direction on a one-way street.

The injured were passengers in a car driven east on 20th street by Virgil D. Grady, 32 of 2201 Rock road. They were Bobbie Jean Graham, 30, Brenda Graham, 13, Patricia Graham, 7, Karen Graham, 5, and Kenneth Graham, 2.

The other driver, Robert J. Young, 19, of Edwardsville, was driving south—the wrong direction—on 20th street when he was stopped by police. He was freed on \$11 cash bail.

Four persons were injured in a father and son, Clyde Sanders, 44, and Clyde Jr., 13, were injured Saturday evening when their auto crashed into a post after skidding out of control and off the Route 162 pavement about two miles east of Granite City. The Sanders lived at 470 Route 162.

The father was admitted to St. Elizabeth Hospital for further treatment of cuts to his head and face while the boy was treated for minor cuts and an injury to his right ankle. Sanders' wife, Henrietta, 45, was examined and released.

County authorities, who went to the accident scene, said no other car was involved.

Driver Hurt, Faces Charge

One Melville, 31, who was treated at St. Elizabeth Hospital for a cut to his nose, was charged by Granite City police with leaving the scene of an accident when he appeared at the police station early Sunday morning.

Police said Melville told them he was driving south in the 2400 block of Madison, and then fell asleep, striking a parked car. He drove to his home at 919 Lee avenue, Madison, and then returned to Granite City to the police station.

Police said the car belonged to Arthur Riley, 2435 Madison avenue. Melville was freed on \$31 cash bail.

Hurt In 3-Car Crash

Harry F. Rongey, 48, of 2141 Grand avenue, suffered a minor jaw injury Saturday afternoon when his auto went out of control on the street car tracks in the 2100 block of State street and struck a parked taxicab, knocking it into a parked car.

Police said Rongey was traveling south when he was "thrown" by the tracks and hit the parked Checker Co taxicab. The all three cars were parked car belonging to Melvin Walker, 2145a State street.

Two motorists, one of them injured, were arrested Saturday evening by Granite City police following a collision at Nameki road and East 24th street.

The injured driver, James D. Hall, 21, of 2709 Lincoln avenue, was treated at the hospital for cuts about the head, suffered when he reportedly fell out of his auto. He was charged with failure to yield right-of-way and released after posting his driver's license as bond.

The other motorist, Hugh E. Ogleby, 33, of 2015 Washington avenue, was charged with driving while under the influence of liquor and released Sunday on \$50 cash bail.

Police said Hall was driving east on East 24th street and making a left turn onto Nameki road, while Ogleby was traveling south on Nameki road.

County Plan Group Favors Program To Aid Land Use Study

The Madison County Citizens Planning Committee voted unanimously Tuesday afternoon in favor of continuation of the county's assessment map program "which is an integral part of beneficial long-range land use planning and zoning" proposed for Madison county.

Data secured through the assessment map program, it was pointed out, is helpful in the current study for county land use and zoning. This is a by-product benefit, over and above the basis use of the maps for equitable assessment purposes.

Members of the citizens' committee, a volunteer organization dating back to the mid-40s, also reviewed their series of five meetings held in May and June in various sections of Madison county to acquaint residents with land use planning and zoning.

In each of the five public meetings it was pointed out that Madison county is "a quarter century behind" in land use and zoning regulations, with the result that orderly growth is seriously handicapped. Efforts to change regulations, the citizens' committee explained, is to protect the county's investment in the unincorporated areas of the county by prohibiting encroachment of undesirable developments, such as industry or commercial structures in a residential district.

G. W. Hoelscher, chairman of the citizens' committee, was authorized to send copies of the assessment map program resolution to the proper Madison county authorities.

Consideration also was given by the committee to extending its public education campaign so that Madison countyans can be more fully acquainted with the planning and zoning as the survey, now being conducted by a professional firm employed by the county, unfolds step by step.

business district about seven months ago, has given Chief Willard authority to make any changes in the controls should a problem arise.

The chief issued a reminder that while all of 19th street will be open to two-way traffic, State street between Niedringhaus avenue and 24th street will continue to be restricted to one-way northbound.

With the changeover, the only remaining one-way streets in the downtown area will be Edison avenue and Grand avenue, both restricted to northbound traffic between 18th street and 24th street.

The return to two-way streets was requested by the Associated Retailers following a survey of downtown merchants.

Driver In 3-Car Crash Faces DWI Charge

A charge of driving while under the influence of liquor was placed against an East St. Louis motorist involved in a three-car collision Saturday night at 23rd street and Madison avenue.

Theron W. Gower, 48, posted \$65 cash bail for his release. Police said he was making a left turn off 23rd street to travel south on Madison avenue, and collided with the northbound auto of Vladimir Fyritzko, 33, of 2504 10th street, causing Fyritzko to collide with the northbound auto of Vernon Price, 58, of East St. Louis.

Gower's car came to a halt on the opposite side of the street, where it ran onto the sidewalk, police said. It was towed away.

Two Couples Fined After Fight Sunday

Two couples arrested about 6:30 p.m. Saturday at Nameki road and Garfield avenue were charged with fighting by Granite City police.

Additional charges were placed against the men, Edward S. L. Barndness, 32, of 2015 West 20th street, also was charged with drunkenness and furnished a deadly weapon, a knife; while Woodward Hopkins, 33, of 1633 Third street in Madison, was charged with drunkenness and creating a disturbance.

Appearing before Police Magistrate Gasparovic this morning, both persons pleaded guilty on all counts. Barndness was fined a total of \$35, and Hopkins was fined \$25.

Their wives, Mrs. Melva R. Barndness, 30, and Mrs. Mary C. Barndness, 19, were freed on their own recognizance to appear at court this morning. They pleaded guilty and were fined \$10 each. The fines were suspended.

SUMMER BRIDE. Mrs. Charles Thompson, the former Catherine Mikulas, a daughter of Mr. and Mrs. Paul Mikulas, 24 Briarcliff. Her wedding took place Saturday evening at Grace Baptist Church on Edwards street.

Double-Ring Ceremony For Thompson-Mikulas Nuptials

Miss Susan Catherine Mikulas, a daughter of Mr. and Mrs. Paul Mikulas, 24 Briarcliff, and Charles Anthony Thompson son of Mrs. Nadine Cole of Alley Springs, Mo., who has been residing here with his grandparents, Mr. and Mrs. Bert Thompson, 2914 Pershing avenue, were married Saturday evening at Grace Baptist Church on Edwards street.

The Rev. William Nesbitt officiated before the altar decorated with pom poms and greenery. The double-ring candlelight service took place at 8 o'clock.

The bride was escorted down the aisle and given in marriage by her father. She wore a gown of pure silk organza and Chantilly lace, classic in styling. It was designed with a scalloped, sabrina neckline and long tapering sleeves with traditional points at the hands. The bodice and skirt were bordered with matching lace and adorned with sequins. Her bouquet was made up of white spider mums.

Miss Mary Ann Mikulas, the bride's sister, was maid of honor, and Miss Sharon McIlroy and Miss Marilyn Wondra were bridesmaids, serving with Candy Sue Jones, a cousin of the bride, junior maid, Connie Lou Jackson, flower girl, and Dale Edward Bagovich, another cousin of the bride, ring bearer.

The adult attendants were dressed alike in white sheer nylon with scooped necklines and balloon puffed sleeves which fell to the elbows. Full ballerina length skirts were extended with hoops, and outlining the waist over taffeta and a matching hat. The junior maid was similarly attired in yellow and the flower girl wore a yellow candy frock trimmed with lace. All complemented their costumes with large yellow picture hats and matching shoes and carried baskets of yellow pom poms combined with white carnations.

Paul A. Mikulas, the bride's brother, was best man, and the groomsmen and usher list was made up of Edward Tomazi and Robert Tomazi of Jennings, Mo., and Mr. and Mrs. Jay Parker and Kenneth Jones.

The bride's mother was dressed in a pink lace and chiffon over taffeta and a matching hat. The bridegroom's grandmother wore a two-piece dress of pink and a pink hat. Both had white orchid corsages. The bridegroom's mother was unable to attend the wedding.

Wedding music was furnished by Mr. and Mrs. John Fedora, who sang "Because" and "Wedding Prayer," accompanied at the organ by their daughter, Miss Joy Fedora.

A reception for approximately 300 guests was held at the church directly after the service and the newlyweds left later on a honeymoon trip. When they return they will live at 2231 East 25th street.

Both young people are graduates of the Granite City high school in the January 1960 class. The former Miss Mikulas is employed by the First National Bank in Madison. Mr. Thompson is an employee of the General Steel Castings Corp.

Miss Judith Bywater And Ronald Lee Beeler Are Wed

First Presbyterian Church was the scene Saturday evening of the wedding of Miss Judith Bywater, a daughter of Mr. and Mrs. Richard H. Bywater, 4303 Lake drive and Ronald Lee Beeler, whose parents are Mr. and Mrs. Emmett L. Beeler, 2590 Spaulding avenue.

Bouquets of pink roses and lighted branches in seven branched candelabra decorated the sanctuary for the double-ring ceremony, performed by Rev. David Maxton at 7:30 p.m.

The bride was escorted down the white carpeted aisle by her father, who gave her in marriage.

She wore an imported Chantilly lace gown of classic styling. The Sabrina neckline was outlined with delicate hand clipped lace scallops and her fitted bodice was fashioned with tiny covered buttons down the back and brief capped sleeves. The very bouffant skirt had tiers of lace ruffles cascading to the hemline at the front and swept into a chapel length train in back. Her jeweled coronet was topped with a hand held and sculptured fingertip length veil of imported French illusion and she carried a cascade bouquet of white roses and stephanos.

Mrs. Bonnie L. Hord, sister of the bride, was matron of honor and her only attendant. She chose a ballerina length gown of yellow nylon eyelet, designed with a scoop neckline and three quarter sleeves. The full skirt was gathered beneath a wide waist and cinched with a wide waist and her small matching hat held in place a brief veil. Her flowers were carnations tinted the same shade as her gown.

Truman E. Hord served as Mr. Beeler's best man with Omar Scheffer and William Cease as ushers. Rod Key, the soloist, sang "Because," "I Love You Truly" and "The Wedding Prayer," accompanied at the organ by Kenneth MacClatchey.

For her daughter's wedding, Mrs. Bywater selected a royal blue acetate frock with white accessories, while the groom's mother appeared in a green nylon lace gown with contrasting accessories. Both mothers wore corsages of white roses pinned at the shoulder.

Immediately following the ceremony, a reception was held in the church basement. Among the out-of-town guests were Mr. and Mrs. William C. Bywater, Kirkwood, Mo., Harry Watkins and Miss Jean Watkins, the bride from Richmond, Kentucky.

The former Miss Bywater was graduated in 1937 from Granite City high school and is employed at International Shoe Co. in St. Louis. Mr. Beeler, a 1935 graduate of the local high school, is presently employed at Rust Auto Repair, Granite City.

IFWC Preparing For Next Year's Art Courses

The University of Illinois and the Illinois Federation of Women's Clubs are cooperating to continue to present to the high school students of this area an opportunity to attend a week of art studies at the Robert Allen Park Art School, Monticello, Ill.

The school was founded Aug. 13, 1950 by the IFWC which since has continued to provide support through art scholarships awarded to deserving students, enabling them to participate in technical and cultural studies of the arts.

No tuition or other fees are required for attending the school, however students must provide their own transportation and about \$4 for art materials. Scholarships provide board and room at the school.

Enrollment is open to students in junior or senior high schools and local students may receive additional information from Elaine Alass, senior high school art instructor for inclusion in the two-week school period, next year.

In order to accommodate as many students as possible with the facilities and funds available, students having one attended are not eligible to return. The University of Illinois has again designated John W. Rauschenberger, associate professor of art and Harry F. Brewster, instructor in sculpture, to direct the school next year.

Mrs. Roy L. Newman, IFWC art department chairman will serve as director in residence with Harold Rimer, instructor and advisor, in residence.

Last week, a special program was presented at the school attended by a number of local club women, including Mrs. L. M. Schermer, president of the National Woman's Club, Mrs. J. M. Lentz, Mrs. Merl Jennings and Mrs. Schermer's daughter, Gail Ann.

Bride-To-Be, Miss Carol Wood, Is Honoree

Miss Carol Wood, who will be a September bride, was guest of honor Sunday afternoon at a miscellaneous shower given by her aunts, Mrs. Mildred Kenison and Mrs. Helen Stegelmeyer, and Mrs. Elayne Spengler, who is to be in the wedding party. The shower was given at the YMCA, with approximately 100 present.

Pink and white were the colors used in the appointments and the gift table held an arrangement of summer flowers and a bride and groom centerpiece. Pink roses were in bud vases on the refreshment tables.

Games were enjoyed throughout the afternoon and a number of prizes were awarded.

Miss Wood will be married to Jerry Wilson on Sept. 3 at St. John United Church of Christ on Namekoi road.

Pythian Sisters Initiate Three

Cascade Temple 216, Pythian Sisters, initiated three candidates, Mrs. Eva Werthe, Mrs. Elsie Bridges and Mrs. Ruth Jackson, at a meeting Thursday evening at the IOOF Hall.

WCTU Holds Ricnic At Park

The annual outing and covered dish supper of the local unit of the Woman's Christian Temperance Union was held Friday evening at Wilson Park.

After the meal a short business discussion was led by Mrs. Genevieve Willtrout and the salute to the flags was given by Mrs. Alice Bates.

Reports of the secretary and treasurer were submitted, and Mrs. Van Best read the report of Mrs. R. L. Miller, flower secretary, who was unable to attend. The group voted to send the "Union Signal," the WCTU national paper, to two mission-aries in foreign fields. Mrs. Owen Willtrout presented the lesson from "The War Cry," and the meeting closed with prayer by Mrs. Bethel Davis.

The September meeting of the group will be held in the home of Mrs. Glen Clenduff, 2018 Grand avenue.

Fifteen were present Friday evening, including three guests, Mrs. Shirley Martin, Mrs. Mary Pfeiffer and Mrs. Rosetta Will-trout.

Miss Linda Ann Walker, Lt. Drex Wed Saturday

In an informal ceremony witnessed only by the families, Miss Linda Ann Walker, a daughter of Mr. and Mrs. Robert J. Walker, 2224 Delmar avenue, became the bride of 2nd Lt. Wayne R. Drex, a son of Mr. and Mrs. Vern R. Drex of Chicago Saturday evening at First United Presbyterian Church.

Rev. David B. Maxton officiated at the 8:30 ceremony and all arrangements were simple. The bridegroom, stationed at Fort Eustis, Va., is here on leave.

The bride wore a street-length dress of white faille and a large white hat. Her flowers were a corsage of yellow orchids. She was attended by Miss Barbara Backshies of St. Louis in a dress of pink cotton and a pink picture hat. Pink roses were pinned at her shoulder. Les Klager of Chicago served as best man.

Lt. and Mrs. Drex left Sunday for Virginia.

McClanahan To Take Reins As Head Cage Coach At Madison High School

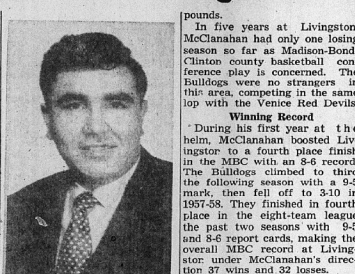

Earl S. "Mac" McClanahan, head basketball coach at Livingston high school for the past five years, has been named to a similar position at Madison high school, effective in September.

McClanahan's appointment was announced during a special meeting of the Madison school board Thursday night.

The 31-year-old graduate of Southeast Missouri State Teachers College replaces Madison native Charles "Buddy" Mueller, who resigned early this month to accept a coaching position in Mount Pleasant, Mich.

To Get Masters McClanahan is currently attending Drury College, Springfield, Mo., and will receive a masters degree in administration from that institution in this month. Married and the father of three children, he is a veteran of world war II and coached basketball for four years at Marquand high school, Marquand, Mo., before joining the Livingston coaching staff in 1953. He also served as assistant high school principal in Livingston.

The new coach attended Fessenden high school, where he lettered in basketball. He was a member of the Southeast Missouri

Sacred Heart Pitcher Strikes Out 16; Mercer Topples State Savings, 8-3

Sam Gossett, signed by the Granite City Sacred Hearts just one week ago, made his debut as a pitcher an auspicious one yesterday as he hurled the first no-hit game of the 1960 season for the Inter-City Baseball league season and the Hearts topped Maryville 8-0 at Wilson Park.

Gossett's performance enabled Lyman Tucker's crew to maintain its first place tie in the Red division with McAdams Buick of Collinsville, which downed St. Louis 1-0 on Tuesday. The Hearts' next three batters, the Hearts and Buickmen both stand 12-3.

The Hearts struck early, scoring all of their eight runs in the first three innings. Paul Schuler tripled in the first and rode home in Howard Eberhart's single.

Shortstop Jim McEthan, who infield play together with that of Wayne Pashea helped Gossett preserve his no-hitter.

Followed with a two-home run and for all practical purposes the teams could have left the field then and there.

In the second walk to Jim Falk, Bob Burns double, a walk to Gossett and two-run singles by Pashea and Eberhart followed for more runs. The Hearts' RBI single which drove home Falk in third.

Gossett, a right-hander, displayed a fast ball which was as hot as the afternoon sun in the mound.

There were no putouts by outfielders, since the Heart hurt out did not allow a ball to be hit out of the infield.

Gossett very nearly lost his shutout in the first inning when

he walked three Maryville batters, but worked out of trouble and gave up only one additional run while striking out 16, a high mark in a single game by an Inter-City pitcher this season.

Slip To Second Mercer Funeral Home recorded its 11th win to go with three losses in the Blue division, but fell one-half game off the pace as McTeer Glass of East St. Louis bombed Highland twice, 28-2 and 12-2 to move in to first place with a 13-3 slate.

Mercer, with lefty Joe Holder pitching shutout ball for eight innings after giving up three tallies in the first, stopped State Savings in the first, stopped State Park in East St. Louis, 8-3.

Ed Bauza started for State Savings, gave up all eight Mercer runs during the six innings he pitched, and was charged with the loss. Holder scattered seven hits over the final eight frames and repeatedly worked out of trouble.

Charles Johannegger homered in a two-run homer in the third to Mercer even at 3-3, and the Granite City team took the lead with four more runs in the fourth. Mercer was credited with his second win in three decisions, 1-0 over the Hearts. Behind the plate for the winners.

Don Crabtree and Johannegger entered the game in the fourth and John Modrusic took each and Roger Wells batted in three runs.

In other action Sunday, White City moved into third place in the Blue division by scoring four runs in the fourth of the tenth inning to defeat Carpenter 9-5.

TRACK OFFICIALS rush to the aid of micro-midget race driver Dave Turner (in car), whose racer flipped over during 50-lap mid-season championship race last night at the Chain of Rocks Speedway. Turner, from Mount Vernon, was pinned in the car but escaped apparent injury. The race was won by Fred Reecer of Granite City.

Reecer Wins Mid-Season Feature At Micro Oval

Fred Reecer of Granite City captured the 50-lap feature race and the mid-season championship at the Chain of Rocks Micro-Midget Speedway here last night before the largest crowd of the year at the racing oval.

Reecer drove a steady race, trailing pace setter Pete Peterson for 45 laps, then took the lead and kept it when Peterson's car went out with motor trouble.

The 50-lapper was interrupted for a few minutes when Dave Turner of Mount Vernon flipped his racer coming out of the north turn on the 29th lap. Turner was shaken up but refused medical attention. The car remained in the race but then restarted according to the positions they held at the time of the accident.

It became apparent soon after the restart that Reecer was going to press Peterson hard the rest of the way. The two drivers duelled wheel to wheel for 16 laps until the pace proved too much for Peterson's black No. 3, and he pulled into the infield on the backstretch, leaving Reecer in a clear field and a big lead.

Racing association officials also staged five preliminary events. The opening trophy dash was won by Reecer. Clyde Stewart took the first heat, Bob Hunt won the second, Peterson the third and Clarence Stewart the consolation race which preceded the main event.

The micros will run again next Sunday evening at the track with time trials at 7 o'clock, racing one hour later.

Hole In One At Sunset Hill

Joe Stroyoff of 1614 Lindell blvd., sank his first hole in one on the par three second hole at the Sunset Hills golf course near Edwardsville yesterday. Stroyoff, who operates a service seven iron on the 165-yard hole.

He was playing in a foursome which included Walter Padgett and Bill Brockus of Granite City and Howard Dew of Edwardsville.

INTER-CITY NOTES

A makeup date for a rained-out game between Maryville and White City has been set by league officials. The two squads will tangle on the White City diamond Saturday at 2:30 p.m.

The next regular meeting of Inter-City league officials and managers will be held at the City Post 133 American Legion Hall, 2400 Madison avenue in Granite City, on Friday, Aug. 19, league secretary Henry Huser has announced. Mercer Funeral Home will be the host for the signing of new players.

The Sacred Hearts have released two players, Jerry Gregory and Ed McKenna. Mercer has released John Gages. Al. ready signed to fill the roster vacancies are Dune Clatts by Mercer and Sam Gossett by the Hearts.

Vandals Damage Auto

Two rearview mirrors were broken off the 1958 auto of Jerry Flannery, East St. Louis, between 11 p. m. and midnight Saturday, when the car was parked on the lot at the Big Top Bowl on Nameoki road, according to a report made early Sunday morning to Granite City police.

Auto's blast came in the course of a nine-run fifth inning rally by Rome and Roy's, and was the first ball out of the new permanent outfield fence in a park district fast pitch league this year.

The Pals, picking up both of their hits in the first two innings, had led 1-0 going into the fifth frame. The winners' nine runs came on only five hits.

Their 10th tally came in the sixth inning off reliever pitcher Bill Morris. Mike Schuler started for the Pals, went six innings, and was the loser.

Na-Bor-Hood moved to a 1-0 lead in the first inning, and the slim margin was all Favier needed. The winners added a single marker without benefit of a hit in the sixth inning, then three hits good for two more runs in the seventh.

Evans Mank went the distance for Modern Exterminators, gave up seven hits and took the loss.

Sign Ex-Major Leaguer

The Collinsville Bombers are currently battling Sacred Heart of Granite City for top honors in the Red Division of the Inter-City Baseball League, on Friday announced the signing of Ed Blake, an East St. Louis resident who formerly pitched for Kansas City in the American League. Once with the Cardinal organization, Blake won 39 games for Toronto before advancing to the majors. He hurled for Houston last season.

Briggs Absorbs 2nd Straight Loss, But Remains On Top In Tavern Loop

Briggs Tavern went down in defeat for the second straight week in Tavern League softball play yesterday morning, but still maintained its league lead.

Briggs fell before Jugs' Hida-way 4-2, while second place Sportsmans Club inched to within one game of the leaders on a 7-9 forfeit decision over Jolly Mill.

John Modrusic had two hits, including a homer, and drove in three runs for Jugs, which improved its record to 9-4. Oren Harrison scattered eight hits and picked up the win. Sonny Milonski was the loser. Ray Hoffmann and Gus Lignoul had two hits each for the losers, while Clayton Harrison went 2-for-3 for Jugs. Andy Angloff drove in the fourth run for the winners.

Polish Hall remained in a tie for third place by shutting out Bookies Homestead 11-0 on Nick Asperger's three-hitter. Polish Hall collected 17 safeties off starter and loser John Webster, who was relieved by Bob Mikol in the final inning.

Stan Scarsdale had three hits for Polish Hall, Al Paskus, Rick Mendez, Francis Diney, and Mike and Walt Tutka two each.

Green Hall, the third team deadlocked for the third spot in the 10-team league, edged Club Delmar 5-3. Winning pitcher Gene McMurry gave up nine hits, loser Harold Schmidt 12-2.

The winners scored their runs in the second and third. Hank Old Portell, Joe Skovron and Frank Orris each hit safely twice for Green Hall, while Charles Eberhart had two hits for Club Delmar.

Mary's Place duplicated Home of the Blues 13-8 in the fifth game as Jerry Tagge collected three doubles for the winners. John Allen had one two-base hit, three hits and Frank Scarsdale

had a pair of doubles to help Pitcher Steve Hardesky to the victory.

Tom McGee went all the way for the Blues, giving up 19 hits and absorbing the loss. Ted Sabo homered for the losers and had three hits.

Boy Scouts To Hold Swim Meet Aug. 27 At Engineer Depot

The Cahokia Mound Boy Scout Council will sponsor a swimming meet for all troops Saturday, Aug. 27, at the Granite City Engineer Depot.

Events will include competition for non-swimmers, beginners and swimmers. Ribbons will be awarded to the first three places in each event. In addition, a trophy will be awarded to the troop with the best percentage of its registered members at the meet.

Meadow Hts. Downs Grace 13-8, Ties For 1st Place

Jim Cuff swatted a brace of doubles and a home run and drove in five runs Thursday night as Meadow Heights downed Grace Baptist 13-8 at Le-Park in Venice and moved into first place in the Red division of the Inter-City Baseball league.

Cuff had lots of help. Winning pitcher Bill Lemond had two hits and drove in three runs. Norman Coad had a triple in the first and drove in two runs. Ray Watson each added two base hits to the winners' 16-hit attack.

Meadow Heights trailed by three runs after four innings of play, but exploded for a eight runs in the fifth and added the remaining five in the next frame.

Rick Horse went all the way on the mound for Grace and was the loser. Jim Fraley homered, Don Crabb tripled, and F. Toller and Clay Parker doubled, adding a losing effort. The game's outscore left both teams with 9-2 records.

Barring upsets tomorrow night, the two squads appear to be headed for a first place playoff. Meadow Heights wraps up its regular season schedule against Grace tomorrow night, while Grace completes its 12-game slate at 8:15 against Calvary (4-7).

Emmanuel grabbed a 7-0 forfeit win from last place Second Baptist in the first scheduled game of Thursday evening.

Rick's Market Ends Regular Season With Perfect 8-0 Record

Rick's Market, already the uncrowned champions of the Granite City park district's Senior Teenage Softball league, capped an undefeated season Thursday night at Wilson Park with a come-from-behind 9-7 win over the Warriors.

The team finished the regular season with an 8-0 mark, after the Bombers won on a forfeit over Rock Club in the first regularly scheduled game. Playoffs in the league are set to begin next week.

Rick's Market took a quick 4-0 lead over the Warriors in the first inning, only to have eventual losers bounce back to grab a 7-6 advantage in the third. But Rick's got to starter and loser Clyde Myers for three more tallies in the late innings while winner Bob Hoffek shut out the Warriors the rest of the way.

The winners collected 11 hits, the Warriors eight. Bill Scarsdale worked behind the plate for the league champions, Pat Schuman for the Warriors.

Rome & Roy's, Na-Bor-Hood Win 'B' Tilts

Andy Angloff homered and Bill "Satch" Page pitched two-hit ball Friday night as Rome and Roy's handed the Pals their ninth defeat of the season in the Red division of the Inter-City Baseball league.

Class "B" Softball league at Wilson Park, 10-1.

It became apparent soon after the restart that Reecer was going to press Peterson hard the rest of the way. The two drivers duelled wheel to wheel for 16 laps until the pace proved too much for Peterson's black No. 3, and he pulled into the infield on the backstretch, leaving Reecer in a clear field and a big lead.

Racing association officials also staged five preliminary events. The opening trophy dash was won by Reecer. Clyde Stewart took the first heat, Bob Hunt won the second, Peterson the third and Clarence Stewart the consolation race which preceded the main event.

The micros will run again next Sunday evening at the track with time trials at 7 o'clock, racing one hour later.

Joe Stroyoff of 1614 Lindell blvd., sank his first hole in one on the par three second hole at the Sunset Hills golf course near Edwardsville yesterday. Stroyoff, who operates a service seven iron on the 165-yard hole.

He was playing in a foursome which included Walter Padgett and Bill Brockus of Granite City and Howard Dew of Edwardsville.

The Collinsville Bombers are currently battling Sacred Heart of Granite City for top honors in the Red Division of the Inter-City Baseball League, on Friday announced the signing of Ed Blake, an East St. Louis resident who formerly pitched for Kansas City in the American League. Once with the Cardinal organization, Blake won 39 games for Toronto before advancing to the majors. He hurled for Houston last season.

Exterminators Ravens Move To Regional Finals Here

The Ravens and Modern Exterminators will meet at Wilson Park next Sunday evening to determine the Granite City Class "B" ASA regional championship. In games played last night at the local softball layout, the Ravens stopped Granite City Steel Credit Union 5-0 and the Exterminators followed up with a 5-0 whitewash of Moose Club 272. Both winners are assured of berths in the Class "B" state tournament which begins here on Aug. 27 and continues through the Labor Day weekend.

Next Sunday's championship game is an important one nevertheless, since the winner will be matched against the runner-up in one of the many regional tournaments being played in Illinois while the loser will be paired against a regional winner.

To Set Up Bracket
Park Recreation Director Harold Brown, ASA commissioner for this area, will meet with Dick Eccles of Alton next week to set up the bracket for the state championships, which are being held in Granite City for the second consecutive year. Brown said he expects from 24 to 28 teams to enter the state tournament.

Norm Grote pitched three-hit ball for the Ravens, who scored two runs against the Credit Union in the third inning without benefit of a base hit. Three straight singles by Davey Melton, Norm Hessler and Gil Sykes produced the final run in the fifth.

Bill Fowler pitched six innings of creditable softball for the Credit Union, but was lifted for Paul Elbertson in the sixth. Fowler gave up four hits and was the loser. Elbertson allowed only one hit, a lead-off triple by Melton in the seventh, but held Melton at third and retired the side on infield rollers.

Bill Page was even more effective than Grote in the nightcap, allowing the Moose Club but two hits. Bob Jones' two-run triple in the first put the Ex-

Participates In Wightman Cup Tennis Trials

Miss Gay Mueller of Granite City was one of 14 young women tennis players in the Missouri Valley section who took part in the five-day Wightman Cup tennis held last week at Washington University and at the Bath and Tennis Club in St. Louis.

Purpose of the trials was to select two doubles teams and two singles entries to represent this area in the national Wightman Cup trials at Philadelphia later this month. The young players, all between the ages of 14 and 18, were given instruction by pro Larry Miller and Mrs. Marvina Parker to court strategy. At the conclusion of the training program Pat Luker and Bobbie Wagner were selected as the singles entries. Carolyn Johnson and Judy Foster, Cheryl Lewis and Nancy Freeman as the doubles teams.

Miss Mueller is currently competing in an invitational tennis meet at River Forest, Ill.

Girl, 5, Treated For Wasp Sting

A Mitchell girl, five-year-old Marilyn Reed, was treated at St. Elizabeth Hospital Saturday after being stung on the right side by a wasp. The girl, daughter of Mr. and Mrs. Ray Jurgens, 127 Kinder lane, was given emergency treatment and released. In other mishaps Saturday, Edgar Edwards Jr., 4, of 2074 Fourteenth street, was treated for a nail wound to his right foot; Michael Moran, four-year-old son of Mr. and Mrs. George Moran, 2439 Washington avenue, was treated for a dog bite to his right knee; and Alan Branch, five-year-old son of Mr. and Mrs. Arthur Branch, 2301 Ohio avenue, was treated for a cut to his forehead, suffered when he was hit by a swing.

Also treated Saturday was 12-year-old Paula Baker, daughter of Mr. and Mrs. Paul Baker, 2819 Edwards street, who suffered scald burns to both legs while the family was vacationing at the Lake-of-the-Ozarks. Baker said her daughter was treated by a physician at the time of the accident, which occurred when she tipped over a pan of water in which corn was being cooked. A small girl who fell while climbing a ladder at the Wilson Park swimming pool and struck her head on a ledge was treated Friday for a cut to her forehead. She was Kim Tompkins, daughter of Mr. and Mrs. Gerald Gilken, 2918 Victory drive.

Spengler Oil Plays Tonight, Millie & Mickey's Wednesday In 'A' Softball Regionals

Spengler Oil of Granite City, 8-7 win over Alton entry Chuck Diering Ford last Monday, but a protest lodged with ASA officials by the Alton squad was allowed, and the game had to be replayed from the point of protest (6th inning) with the Ford crew, ahead 4-1.

That was the way things stood as M&M came to bat in the bottom of the seventh. But Jim Goodrich and Jerry Parnley both doubled, Babe Ameling walked, Dick Portell singled and Charles Johannmeier brought another run home with a sacrifice to give the locals a 5-4 triumph.

Later the same evening Millie and Mickey's turned back Frank's 7-5 to advance to the Class "A" second round. Faced by Roger Wells' three hits, the Granite City entry grabbed a quick 5-0 lead in the second frame and Frank's, which calls Belleville home, just could not overcome the early lead, although the team staged a three-run rally in the seventh and scored winning pitcher Ray Hurd to retire in favor of reliever Leo Six.

The local squad had posted an

Traffic Accident Rate Soaring To New High In City

Granite City's soaring traffic accident rate totaled 621 at the end of seven months—101 more than recorded at the end of the same seven-month period in 1959, according to statistics compiled by the records section of the police department.

An increase in the severity of accidents also was reported with 173 personal injuries in the seven months, as compared to 156 at the end of July 1959. However, no traffic fatalities have occurred this year while in 1959, two deaths were reported in the seven-month period.

During July, there were 90 accidents with 31 injuries, as compared to 82 mishaps with 22 injuries in June, and July 1959 totals of 80 accidents with 14 injuries. The police prediction set a figure of 87 accidents in July.

The police frequency chart shows that over half of the accidents—46—occurred on seven thoroughfares—14 on Madison avenue, eight on 20th street, and 14 on 24th street.

Quad-City Births In July Show Traditional Peak

Births exceeded deaths by better than a four-to-one margin in July, the traditionally peak month for births in the Quad-City area, as indicated by vital statistics for the month.

As compiled by Granite City Clerk A. L. Steven, records show a total of 133 births against 31 deaths and two stillbirths.

However, the 1960 record lags behind its like period in 1959 by eight births, and outdistances its 1959 counterpart in both deaths and stillbirths.

In a comparison of totals for the two seven-month periods at the close of July 1959 there were 779 births, eight stillbirths, and 205 deaths to 1960 totals of 771 births, 12 stillbirths and 235 deaths.

Calvo Discusses Legal Terminology

Horace Calvo, local attorney, spoke on "Language: A Lawyer's Tool or a Mystic Art" before members of the Daybreak Optimist Club Saturday morning at the YMCA.

Atty. Calvo, discussed the reasons for legal terminology and stressed the importance of seeking legal aid prior to the signing of contracts and in the early stages of legal matters.

Invocation at the meeting was given by Jerry Walters. One new member, Robert O'Brian, was welcomed into the club.

A report on the joint Optimist Club Christmas tree sales committee meeting was submitted by David Larkin, who said the committee decided to purchase a larger number of five and six foot trees this year, to redecorate tickets and to push commercial ticket sales.

Guests at the meeting included Chris Von Nida, manager of the Daybreak Optimist Club, and team member Tommy Klobe, who reported that the team is in second place in its league and has an overall record of 22 wins and six losses.

Peace Disturbance Fine

Charge of assault and battery was dropped against John Lee Jackson, 26, of 810 Washington street, West Madison, who had pleaded innocent at an early hearing before Venice police to the alleged beating of his wife Sarah, 22, last week. Jackson was fined \$10 and costs Friday by Justice of the Peace Lloyd Blumenstock at the Venice city hall on an additional charge of disturbing the peace.

Seven Persons Injured In Mishaps Thursday

A small girl who was cut on a scalp while diving in Hartford, and a boy injured trying to score in a baseball game were among seven persons given emergency treatment Thursday at St. Elizabeth Hospital.

Nelda Nichols, 11-year-old daughter of Mr. and Mrs. Harold Nichols, 4904 Carr street, required five stitches to close a cut on her scalp received when she dove into Hartford canal and struck her head on a rock. Robert Lovell Jr., 8, son of Mr. and Mrs. Robert Lovell, 4485 Highway 162, received a cut over the left eye, needing seven stitches to close, when he collided with a fully-equipped catcher in a ball game.

Injured when a toy gun exploded in his hand, David MacDonald, 10-year-old son of Mr. and Mrs. Ernest MacDonald, 1863 Spring avenue, received five stitches to the fourth finger of his right hand and was released. Ricky Ashby, 5, son of Mr. and Mrs. Leonard Ashby, 2832 Forest avenue, was released following his complaining of head pains after he fell from a slide at Wilson Park.

Also treated were Dennis Parke, 10-year-old son of Mr. and Mrs. Maxine Parke, 1303 Kirkpatrick, who fell from a six-foot fence and was advised to see the family doctor after x-rays showed a possible fracture of the left foot; and Mrs. Marilyn Hanaberger, 26, of 2908 Fortune drive, who needed five stitches to close a cut right thumb received on a tin can.

Admitted to the hospital after he was hit on the left side of the head with a baseball bat was Luther Hood, 59, of 2915 Denver avenue.

UF Executive Group Meets Tomorrow

The executive committee of the United Fund will meet tomorrow at 4 p.m. at the UF offices above the Washington Theatre to examine final budgets of member agencies.

On Thursday the budgets will go to the UF board of directors who will meet at 7:30 p.m. at the YMCA where members will decide upon the 1960 campaign goal.

Budget, Bids To Be Considered By School Board

Despite the ending of regular instruction, summer are the busiest season for school district business, and tomorrow night's Granite City school board meeting should be no exception. Chief of the board will be the \$300,000 budget, scheduled for tentative action tomorrow and final approval next month.

Action is expected to be taken on purchase of furniture, furnishing and equipment for the Granite City high school addition from the federal grant used to build the new rooms.

Other bids scheduled for action or discussion tomorrow involve bus transportation, milk, candy, canned goods, electrical supplies, sewing machines, floor exercises, furniture, plumbing fixtures, millwork, pipe and fittings, appliances and student insurance.

Bids also are being sought on the school yard at Central Junior High, and reports are to be given on the feasibility of expanding the high school gymnasium parking lot, requiring more land at the Mitchell grade school campus.

Another topic occupying the board and administrative staff this summer is creation of foreign language laboratories at the high school and junior highs.

Partially financed by federal funds, the laboratories are expected to cost \$624. This will include 20 individual booths, 15 audio-visual and the other five with audio-visual equipment.

Students will be able to hear how they are learning foreign languages, and teachers will be able to record instructions so that the room can be used for more than one language simultaneously.

Three junior high laboratories similar to the high school, but using portable recorders, will be set up at a total cost of \$2085. All four rooms will be arranged by Electronic Specialties, Inc. It is planned to eventually add 10 additional booths to the high school laboratory.

Mr. Mary Hoelter, 78, Succumbs Saturday

Mrs. Mary Theresa Hoelter, 78, of 2220 Lee avenue, a lifelong resident of the Quad-City area, died of a heart condition about 8:40 a.m. Saturday at St. Elizabeth Hospital, where she had been a patient about 15 hours. She had been under medical care for several years.

Mrs. Hoelter, who was preceded in death by her husband, Casper, in 1949, was born in Mitchell. She was a member of St. Joseph's Catholic Church, the Altar Society there and the Royal Neighbors.

Survivors include three sons, Lawrence, Ray and Alvin Hoelter, all of Granite City; a daughter, Mrs. Norman (Lucille) Branding of Edwardsville; two brothers, John and Arthur Beide, both of Granite City; three sisters, Mrs. Kate Grohmes, Mrs. Agnes Zimmer and Mrs. Clara Warden, all of Granite City; 11 grandchildren and three great-grandchildren.

Funeral arrangements are given in today's obituary column.

Entire Pontoon Water System Now Functioning

The entire system of the Pontoon Beach Public Water District went into operation last week and service is being provided 308 of a potential 502 customers. It was learned today from Andrew Bukovac, chairman of the district's board.

Work on preparing for the \$330,000 system was started back in 1958, and in addition to serving the Pontoon Beach area, the system has one line running to the Mitchell grade school building. At a later date, Bukovac said, water service will be available to residents along the south side of U. S. Highway 40-68 in the vicinity of the Route 111 intersection. He explained the U.S. Highway is the district's boundary line.

Those placed in operation last week after slow leaks were found and repaired were those in the south end of the Long Lake area. They serve families living along Lake street, B street and Pontoon Blvd.

Those seeking to connect onto the line are required to pay a \$5 water meter connection fee and \$130 inspection fee.

Driver Pleads Innocent To DWI Charge

Pleadings of not guilty were entered Saturday by James D. Conway, 37, of 2438 Deimar avenue, who was charged with driving while under the influence of liquor and leaving the scene of an accident by Granite City police.

Conway posted \$600 bond to appear for trial next Saturday before Police Magistrate Gasparovic. Police said Conway was taken into custody at his home after an accident report was received about 1:15 a.m. Saturday. They said the right front of his car was damaged.

According to the report, the auto of Wesley Lohnmuhl, 2257 Benton street, was damaged while it was parked in front of his home.

Speeding Charge

Albert W. McIlvov, 35, of 13 Del Rio avenue, was issued an arrest ticket at Niedringhaus and Madison avenues Thursday by Granite City police who charged him with speeding. He was released on \$11 cash bail.

Two Local Airmen Complete Training

Airmen Paul R. Lingle and Carl Dean Focht of Granite City have completed Air Force basic military training at Lackland Air Force Base, Tex.

Lingle, son of Mr. and Mrs. Daniel A. Jordan of 5220 Orville avenue, has been selected to attend the technical training course for radio and radar maintenance at Keeler AFB, Miss.

While Focht, son of Mr. and Mrs. Carl A. Focht, 2140 Bern avenue, will be assigned for aircraft and missile hydraulic training at Amarillo AFB, Tex.

EDITORIAL

Present Granite City Zoning Law Is Badly Needed; Proposed Changes Could Wreck It

Zoning laws are far too important to be altered without thorough and long studies of the consequences. The proposals to alter phases of Granite City's zoning ordinance relating to residential areas developed before 1955 could open the door to such sweeping changes that the new law could be rendered meaningless.

About 90% of the city was developed before 1955, and it is this area that will continue to be the heart of the community. All subdivisions and neighborhoods eventually grow old. Unless high standards are set and continued refurbishing is encouraged, such areas needlessly degenerate into slums.

The fact that they were old is already here is not the key point. What must be remembered is that they will be here for many years to come, and the city alone can decide where the line of minimum standards should be drawn. Such a line was drawn with the zoning law, after long and devoted effort by many public-spirited citizens and officials.

Any such enormous changes as are currently being considered relating to the distance between new construction and property lines, should be given long and intense scrutiny.

One alderman's comment is enlightening: "That's my lot and I own it. I pay taxes. I should be able to do what I want, and I want to use every foot I can." Government by the people, for the best interest of the majority, cannot work if any one person is allowed to do whatever he wishes, regardless of its effect on his neighbors and community.

Venice Homecoming Festival Becoming One Of Most Enduring Local Customs

It hardly seems like that long, but it was 13 years ago when the Venice Homecoming and Memorial Association conducted its first three-day homecoming festival in Lee Park. From an entirely new observance, the Venice homecoming has endured to become one of the oldest annual customs in the Quad-City area.

Many thousands of Venice residents, former local residents and others have gathered at the Venice park to renew acquaintanceships and discuss the "good old days" as well as timely topics. Music, entertainment, beauty competition, ball games and many other activities have enabled people of all ages to participate in the August festivities. Over the years, the sponsoring association also has been able to build up funds toward construction of a suitable Venice war memorial.

Again this weekend, Venice will play host to its own residents and those of the surrounding area and states for a gathering that is expected to pack the city park for the entire three days. The welcome mat will be out for the 13th consecutive year.

Great Need For Fire Hydrants In Local Unincorporated Areas

Last week's fire in East Madison again spotlighted the lack of convenient fire hydrants in local unincorporated areas. While the firemen's efforts were regarded as successful, since neighboring buildings were saved and the store fire itself had gained much headway before the alarm was sounded, it proved necessary to connect over 1000 feet of hose.

This was one of the more fortunate locations, because it was near a Madison high school fire hydrant. Other sections of East Madison are more remote, and the situation is even more critical in Eagle Park Acres and other parts of Madison county. Many tragic fires, including multiple deaths, have occurred.

Some way should be devised to extend fire hydrant service to unincorporated areas. If it is concluded that residents of each neighborhood have the sole responsibility, then leadership must be developed to enlist the residents in a cooperative program. Fires cannot be fought without water, and the water supply available when there are no hydrants is quite limited.

Prosperity Was Always Just Around The Corner, But It Seems To Have Finally Arrived

A national survey just completed indicates that Granite City has a 106 index in "quality of market," which is 16% higher than the national average. Based on the population, income, expenditures and growth outlook, the rating reflects the local prosperity that also can be demonstrated from other studies and statistics.

Retail sales here are continuing to set new high marks. Net earnings of residents of Granite City alone have topped the \$80,000,000-a-year mark. Unemployment is down, and relief rolls are at the lowest point in a number of years.

The same survey spotlighting the quality of the local market area also noted average income per household of \$6958, compared to \$5752 in the east north-central states and \$6385 in the United States as a whole.

Economists and politicians once spoke confidently of "a chicken in every pot" and "a car in every garage." The prosperity that always seemed to be just around the corner clearly has arrived. While still brighter days are anticipated in the decade of the 1960s, even today many local garages have not only one car but two cars.

Most of the good things that come to individuals in life have to be paid for in some manner.

Crackdown On Stormwater In Sanitary Lines Will Spotlight Drainage Needs

The crackdown on illegal stormwater connections onto the Nameoki sanitary sewer system can perform two important services.

First of all, it can prevent further damage resulting from burdening the sanitary system beyond the capacity for which it was designed. When this is halted, complaints about the lines backing up should cease.

Secondly, strict use of the sanitary lines for sanitary purposes will call attention to the large amount of stormwater in areas where storm drainage facilities do not exist or are inadequate.

An engineering survey currently underway is intended to show the sanitary and storm sewer needs of Granite City and adjacent areas, and it will be up to the public to recognize the inadequacies and accept the responsibility for ending them. To be able to vote intelligently, citizens will need to understand just how poorly their stormwater drainage needs are being met, and the planned crackdown on manhole violations should provide a realistic picture.

The survey being made as a preliminary step toward a master sewer and drainage program will help point the way toward proper pollution abatement steps, and it is encouraging to note that the State Sanitary Water Board has expressed satisfaction with the progress being made.

While there should be no undue delay, it is the path of wisdom to proceed on a sound basis and the concurrent study being made by local industries should help greatly in reaching the correct decision on abatement procedures. Industries current handling of waste water will have a large effect on the scope and nature of the remaining pollution problem.

In both the drainage and pollution abatement fields, it is evident that progress is being made. It will be essential for the public to be informed of the planning, because public opinion must be marshalled if solutions are to be found and carried out.

Youthful Drivers Charged With 'Drag Racing'

Hearings are scheduled Wednesday for two 17-year-old motorists who were charged with careless driving and "drag racing" on 19th street shortly before 10 p. m. Friday.

Arrested by Granite City police were Ronald G. Jarrett, 17, of 2125 Nevada street, who posted bond on \$32 cash bail for a hearing next Saturday.

And Ross W. Connor, 17, of 2903 Harding avenue, who was freed on \$32 cash bail.

Pleads Innocent

Lloyd A. Bingle, 41, of 2915 Roosevelt street, who was arrested Friday night in the 900 block of Niedringhaus avenue by Granite City police, pleaded not guilty Saturday morning before Police Magistrate Gasparovic on charges of drunkenness and creating a disturbance. He will appear in court on \$32 cash bail for a hearing next Saturday.

Paris Is Gay, Brussels Solemn To 'Y' Visitors

Along with the other members of the American delegation to the YMCA Youth Conference, Miss Pat Mega and Ron Randall toured Paris and Brussels before going on to Amsterdam, Holland, where the conference began last week and will continue through this Saturday.

A letter from Miss Mega, "Teen Town" director, relates the highlights of the tour by the French capital and the worship service they attended just before leaving for Amsterdam.

"In Paris the group stayed in a dormitory erected by the Netherlands on the University of Paris. The university has many dormitories built by the various countries throughout the world. The United States also has a dormitory here.

The group toured many of Paris' famous sights including the Eiffel Tower; Les Invalides which contains the Tomb of Napoleon I; Versailles, where the treaty of Versailles ending world war one was signed; and the Louvre which holds many famous works of art.

The group also toured UNESCO (United Nations Educational, Scientific and Cultural Organization). UNESCO is cited as the most interesting building in Paris because of its design, construction, and purpose. It was designed by an international panel of architects, decorated with works by world-renowned artists and with gifts from member states, built, furnished and equipped with materials and articles produced by many countries.

"One may see a mobile by Alexander Calder of the United States and a garden designed by Isamu Noguchi of the U. S. UNESCO's work is to develop educational, scientific and cultural endeavors for the advancement of peace and common welfare of mankind.

"A most interesting experience was the visit to the YMCA International Boys' Camp in Melun, France. Boys from all of the world between the ages of 15 and 19 attend the camp and learn specific games which they take back to their own countries to teach.

"The boys are learning basketball at present. The European boys played a campfire for the American delegates. Games and songs of different countries were exchanged among the students."

The following is Miss Mega's report of the worship service held after the group from the United States arrived in Brussels:

"Two hundred American delegates attended a candlelight service of worship and preparation for the World Youth Conference at the University of Brussels. Bill Brown of New York, chairman of the American delegation, gave the following sermon to the group regarding the conference: 'Soon the great crucifixion will be here and will board the buses for Amsterdam, the city God has called us to.'

"Tonight we gathered to dedicate ourselves to the task God has called us to. The immediate task is to create an atmosphere such that the future will be determined by reason, not by accident. We can succeed in our task through the exchange of ideas and culture. We must go to this conference with open minds and outstretched hands."

"There is no place for rash unthinking argument, or callous ridicule. The atmosphere this time must be suitable only for future misunderstanding and rash action."

"Our mission for understanding can have immediate success. Each of us can reach one European young person with the hand of friendship and understanding. That is 200 people we have reached. Add their families and we have reached at least 1600. Then add their Hi-Y clubs and their school friends and we have reached over 3000 people."

"Let's be ambitious. Each of us can also reach a young person from Africa or Asia. That means we can reach over 10,000 people with a personal Christian hand of friendship."

NAACP Holds Meeting On Jobs Friday

The local chapter of the National Association for the Advancement of Colored People met Friday night at the Church of God, Venice, to discuss the placing of job applications. President Hugh Hairston, reported the placing of job applications at banks, utility companies as well as private businesses.

The group also secured an East St. Louis attorney, Hairston said, to advise the Venice girl who alleges she was criminally attacked by a police officer last month.

Speeding Arrest

John W. Scheff, 62, of 3258 Westchester drive, was arrested at 25th and State streets Friday afternoon by Granite City police on a charge of speeding. He was released on bond.

Mrs. Mary Berry, 79, Dies At Home Friday

Mrs. Mary E. Berry, 79, of 1251a Niedringhaus avenue, died at 4:30 p. m. Friday at her home. She had been ill eight months.

A native of Woodbridge, Tenn., Mrs. Berry was a resident of Granite City 13 years. She was a member of the Worden Methodist Church, Worden, Ill. She was preceded in death by her husband, William S. Berry, in 1928, were the lowest since September 1957 with 329 persons in 195 cases being aided.

Survivors are four sons, Thomas of Akron, O.; Charles of Berry of Kansas City, Mo.; and Carl and Walter Berry of Granite City; a daughter, Mrs. Agnes Richardson of Granite City; a sister, Mrs. John Christian of Joliet, Tenn.; five grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

Venice Relief Costs Down, Cases Unchanged

Although the number of cases ended remained the same as in June, Venice township relief costs were down over \$1000 in July, Supervisor Arthur Moore reported today.

Relief costs for July totaling \$46,286, were the lowest since September 1957 with 329 persons in 195 cases being aided. The totals in June were costs of \$7469 for 105 cases with 345 persons involved.

Total relief costs for the first four months of the current fiscal year have been \$33,257 compared to \$48,590 for the same period last year. The July 1959 cost were \$10,258 with 478 persons in 148 cases.

5 GC Teachers To Be Delegates At Convention

Five Granite City school teachers will be delegates from the Granite City Federation of Teachers, Local 743, to the 44th annual convention of the AFL-CIO American Federation of Teachers which will open next Monday in Dayton, O.

The convention will continue through the following Friday. The Granite City delegates certified to the convention are:

Guy Lahr, 330 Lennox avenue, president of the Granite City Federation of Teachers and sixth grade teacher at Webster school; William Snodgrass, 2000 Fifth street, sixth grade teacher at Frohardt school; and Mrs. Helen Hayes, 2503 State street, corresponding secretary of Local 743, and fourth grade teacher in the Maryville road school; Robert Zalewski, 1622 Lindell blvd., treasurer of Local 743 and junior high school studies teacher; and Mrs. Helen Bjorkman, 2319 Waterman avenue, physical education teacher in the Junior High School.

Carl J. Meigel of Chicago, American Federation of Teachers president, said the convention will concern itself with needs and methods of public education for the space age, better salaries and working conditions for teachers, and union techniques including collective bargaining.

Speakers will include Meigel in his presidential address; Gov. Michael D'Salle of Ohio; Dr. Stephen J. Wright, president of Field University; Ray Panknik of Chicago, regional public relations director of the United Steelworkers, and others.

About 1000 delegates from some 500 state and local teachers' unions are expected to attend the convention. The American Federation of Teachers is comprised of public school classroom teachers only.

Centralia Is Site For Hospital For Retarded

Gov. William G. Stratton today announced the selection of Centralia, in Marion County, for construction of the new institution for the mentally retarded in Southern Illinois. Construction is contingent upon passage of the \$150,000 state welfare building bond issue in November.

The governor also disclosed initial planning for construction of up to three smaller institutions.

Construction of the major southern Illinois institution was authorized by the last General Assembly, at the request of Gov. Stratton, at a cost of \$13,725,000. A pediatric institute to serve the same type of patients is nearing completion now in the Medical Center in Chicago, with a patient capacity of 585 crib beds. With occupancy planned by next April, the Chicago hospital will be the first such construction for mentally retarded in 82 years.

Gov. Stratton, in announcing the Centralia site for the southern Illinois mentally retarded institution, disclosed that 22 communities in 15 counties were surveyed in a nine-month period and evaluated along several criteria.

Two Local Firms Granted Delaware Charters

Foreign corporation charters are being issued to two local firms according to the office of Secretary of State Charles F. Carpenter. Both are Delaware corporations.

Granite City Boat & Motor, Inc., 2902 Madison avenue, was incorporated with a state capital in Illinois of \$1000 and William H. Seebold as registered agent and president. The firm's secretary is Pauline Seebold. It is permitted to transact a general merchandising business with boats, motors, motor parts, fishing and hunting equipment, hardware items and merchandise of all kinds.

The other firm is Ray Horn Auto Body Shop, Inc., 1829 Grand avenue, with a state capital of \$1000 in Illinois. Raymond D. Horn, 1829 Grand avenue, is the registered agent and president, and Emmett C. Kensing is the secretary. The firm is chartered to carry on in all its branches a general repair shop business for repairing, remodeling, reconstructing, refinishing, painting and adjusting automobiles, taxicabs, motor trucks, motorcycles and all other vehicles.

Man Arrested Here Escaped From Alabama

An investigation of a 20-year-old man arrested last week by Granite City police on a charge of operating a motor vehicle with an improper muffler, disclosed he was an escapee from Alabama. Chief of Detectives James R. Lowder reported.

James A. Powers, who gave a local address in the 2700 block of West 20th street, was turned over to county authorities and later was released to the sheriff of Athens, Ala.

It was learned Powers had escaped from a road gang while serving a term for a crime committed in the southern state.

On the local charge, he was

Sentenced To County Jail

Leon Barrett, 31, who was arrested Thursday in the vicinity of West 20th street and the railroad tracks, was found guilty of a charge of vagrancy during a hearing Friday morning before Police Magistrate Gasparovic. He was sentenced to six months in the county jail. He earlier had pleaded not guilty to charges of drunkenness and vagrancy, but was found guilty on both counts. The fine on the drunkenness charge was set at \$10.

\$100 Fine Suspended For Year Probation

A \$100 fine was suspended in favor of a year's probation for Mrs. Charlotte Hahs, 19, of Rural Route One, who pleaded guilty Friday before Police Magistrate Gasparovic to a charge of petty larceny.

She was taken into custody Thursday afternoon in the Tri-City Grocery, 20th and State streets, with about \$4 worth of merchandise, including meat, canned goods, cosmetics and baby food.

Pair Fined On 2 Charges

Arrested about 5:30 a.m. Saturday at 2902 Denver street by Granite City police, James R. Black, 35, of that address, and Marshall L. George, 30, of 2117 Washington avenue, were fined \$10 and costs each, when they later appeared before Police Magistrate Gasparovic and pleaded guilty to charges of drunkenness and creating a disturbance.

Two Minor Fire Alarms

Two minor fire alarms were answered Thursday by firemen from the West Granite station.

The first, at 2 p. m., was a shed at the rear of the home of Paul Seger, 2023 Dewey avenue. The cause of the blaze was not determined, and no loss was listed on the report.

At 8:45 p.m., the firemen went to the 2700 block of Denver street to extinguish a weed fire. There was no loss.

Replacements Named For Sheriff Office Jobs

Replacements for two Granite City men who recently quit the county sheriff department were announced last week at Edwardsville by Sheriff George Musser.

Virgil Chandler, 30, of East Alton was named jailer and Melvin Bess of Edwardsville was assigned duties as a night deputy.

The local men who left the department were Roy McCulley, jailer, and Donald Newman, night deputy.

5 GC Teachers To Be Delegates At Convention

Five Granite City school teachers will be delegates from the Granite City Federation of Teachers, Local 743, to the 44th annual convention of the AFL-CIO American Federation of Teachers which will open Monday in Dayton, O.

The convention will continue through the following Friday. The Granite City delegates certified to the convention are: Guy Lahr, 330 Lennox avenue, president of the Granite City Federation of Teachers and sixth grade teacher at Webster school; William Schneider of Collinsville, sixth grade teacher at Frohardt school and Mrs. Helen Hayes, 2303 State street, corresponding secretary of Local 743, and fourth grade teacher in the Maryville road school; Robert Zaleski, 1622 Lindell blvd., treasurer of Local 743 and junior high social studies teacher; and Mrs. Helen Bjorkman, 2319 Waterman avenue, physical education teacher in the Junior High School.

Carl J. Megel of Chicago, American Federation of Teachers president, said the convention will concern itself with needs and methods of public education for the space age, better salaries and working conditions for teachers, and union questions including collective bargaining.

Speakers will include Megel in his presidential address; Gov. Michael DeSalle of Ohio; Dr. Stephen J. Wright, president of Fisk University; Ray Pasnick of Chicago, regional public relations director of the United Steelworkers, and others.

About 1000 delegates from some 300 state and local teachers unions are expected to attend the convention. The American Federation of Teachers is comprised of public school classroom teachers only.

Centralia Is Site For Hospital For Retarded

Gov. William G. Stratton today announced the selection of Centralia, in Marion county, for construction of the new institution for the mentally retarded in Southern Illinois. Construction is contingent upon passage of the \$130,000,000 state welfare building bond issue in November.

The governor also disclosed initial planning for construction of up to three smaller similar institutions.

Construction of the major southern Illinois institution was authorized by the last General Assembly, at the request of Gov. Stratton, at a cost of \$17,723,000. A pediatric institute to serve the same type of patients is nearing completion now in the Medical Center in Chicago, with a patient capacity of 385 cribs.

With occupancy planned by next April, the Chicago hospital will be the first such construction for mentally retarded in 82 years.

Gov. Stratton, in announcing the Centralia site for the southern Illinois mentally retarded institution, disclosed that 22 communities in 15 counties were surveyed in a nine-month period and evaluated along several criteria.

Two local firms granted Delaware charters

Foreign corporation charters are being issued to two local firms according to the office of Secretary of State Charles F. Carpenter. Both are Delaware corporations.

Granite City Boat & Motor Inc., 2402 Madison avenue, was incorporated with a state capital in Illinois of \$1000 and William H. Seebold as registered agent and president. The firm's secretary is Pauline Seebold. It is permitted to transact a general merchandising business with boats, motors, motor parts, fishing and hunting equipment, hardware items and merchandise of all kinds.

The other firm is Ray Horn Auto Body Shop, Inc., 1822 Grand avenue, with a state capital of \$1000 in Illinois. Raymond D. Horn, 1822 Grand avenue, is the registered agent and president, and Emmett C. Ray is the secretary. The firm is chartered to carry on in all its branches a general repair shop business for repairing, remodeling, reconstructing, refinishing, painting and adjusting automobiles, taxicabs, motor trucks, motorcycles and all other vehicles.

Man Arrested Here
Escaped From Alabama

An investigation of a 20-year-old man arrested last week by Granite City police on a charge of operating a motor vehicle with an improper muffler, disclosed he was an escapee from Alabama. Chief of Detectives James R. Lowder reported.

James A. Powers, who gave a local address in the 2700 block of West 20th street, was turned over to county authorities and later was released to the sheriff at Athens, Ala.

It was learned Powers had escaped from a road gang while serving a term for a crime committed in the southern state.

On the local charge, he was fined \$10 by Police Magistrate Casparovic.

Miss Melba Davidson And Marty Thomason Are Wed

Miss Melba Davidson, a daughter of Mr. and Mrs. Ray Davidson of Hornesville, Mo., and Marty Thomason, whose parents are Mr. and Mrs. Henry Moser, 3270 Franklin avenue, were married Saturday evening at Calvary Baptist Church.

Rev. W. V. Snider officiated at the candlelight service before the altar decorated with baskets of white chrysanthemums and carnations arranged at each side and a reception followed in the church basement.

The bride wore a floor-length gown of white silk organza and French lace. The bodice, fashioned with a scoop neckline and long pointed sleeves, was trimmed with sequins in a rainbow effect and a fingertip veil of tulle fell from a headpiece of sequins and pearls and the bride carried a white lace-covered Bible topped with carnations.

The only ornament worn was a strand of pearls, a gift from her grandmother. The bride was given in marriage by her brother, Jerry Davidson.

Mrs. Darlene McGlawn was a matron of honor, and other attendants were Mrs. Wanda Pounds and Miss Joann Wickman, bridesmaids, and Linda Moser, junior bridesmaid. They were dressed in gown of silk organza over taffeta and the colors were purple, yellow and blue. A little flower girl, Diana Moser, wore a green brocaded taffeta frock. All wore headbands of net and flowers to match the dresses and held white carnations on Bibles, the colors the same as the dresses. Don Davidson carried the ring.

Jerry Thomason was best man, and the groomsmen and usher list was made up of S. T. McGlawn, Glen Davidson, Bill Jones and Pete Peterman. Kath-

erine Belcher and Trudie Kell were candlelighters.

Wedding music was furnished by Mrs. Esther Peterman and Bill Patterson, who sang "I Love You Truly" and the Lord's Prayer.

The newlyweds are residing at 1924 Grand avenue. The bridegroom is employed by the Terminal Railroad Association in Madison.

Miss Patricia Holder And James Wickman Are Wed

Altar bouquets of white gladioli and pom poms, together with ferns and palms, decorated Sacred Heart Catholic Church Saturday morning for the wedding of Miss Patricia Holder, a daughter of Mrs. Ruby Holder, 3116 Aubrey avenue, and James Wickman, newlywed pair will make their home at 2312 Delmar avenue.

White satin bows and arrangements of blue and yellow carnations marked the pews down the center aisle which was carpeted in white.

Attired in white taffeta and lace, the bride was escorted by her brother, Robert Holder, who gave her in marriage. Her gown was trimmed with applique medallions and featured a sweet heart neckline and cap sleeves. A headpiece of taffeta and a single large rose held in place the bride's veil of illusion. She carried a white orchid showered with satin ribbon on a satin-covered prayer book. The ceremony was performed at 9 o'clock by Rev. William Ward, and the wedding breakfast took place afterward at the Rose Bowl.

Mrs. Carol Childers of Madison was matron of honor and Miss Mary Grace Kelahan of Edwardsville was bridesmaid. Both wore strapless white tulle gowns with short jackets. Mrs. Childers wore a yellow cummerbund

and that of Miss Kelahan was blue. They carried cascading bouquets of yellow and blue carnations.

The wedding reception was held in the evening at the church hall. After a trip to Florida, the newlywed pair will make their home at 2312 Delmar avenue.

The former Miss Holder is employed in the offices of the Granite City Steel Co. Her husband is an employee of the General Steel Castings Corp.

19 Local Students Honored At Program, Wilkins Speaks

Nineteen Quad-City students were among approximately 100 graduates honored at the annual night at Edwardsville high school in the county's seventh annual scholarship program. Principal speaker was State Superintendent of Public Instruction George T. Wilkins.

The scholarships entitle the holders to enter teacher education programs this fall at any of five state universities — Illinois State Normal University at Normal, Northern at DeKalb, Southern at Carbondale or the local area branches, Eastern at Charleston and Western at Macomb.

Wilkins congratulated the recipients and outlined the need of the society for superior teachers. Each of them was graduated in the upper half of his high school class, as announced by County Supt. Wilbur R. L. Trimpe, who presided over the program. For them, matriculation, tuition, graduation and activity fees will be paid.

The following is the major portion of Wilkins' address. "I am proud to award to you your Teachers' Scholarships and to participate in recognizing the high standards of excellence which you, as a group and as individuals, have established. "I am here to congratulate you. I am here to testify that the Illinois Department of Education, takes pride in your accomplishments and attaches importance to your excellence and your aim.

"I am gratified you have chosen to enter the field of teaching, for if there is something that we need more than money or machines, or anything else you might imagine, it is trained and thinking minds.

"It will be your job, as advanced students, to ask more and more questions; it will be your job, as teachers, to see that your students ask more questions and demand more answers. Only thus will you justify the honors given you."

Propose Sharing Costs Of Blood Program Here

Preliminary steps which could lead to the local hospital's participation in a cooperative blood contribution program were taken during a meeting held Friday morning at St. Elizabeth Hospital here.

Presented at the meeting was a proposal which, if agreed to by the hospital, would result in the sharing of the cost of blood units by the recipient and the distributing agency, in this case the hospital.

Miss Elizabeth Sprague, field representative for the Red Cross in the St. Louis region who attended the meeting, said the cost of processing one unit of whole blood is about \$8.

Other hospitals in this area which participate under the Red Cross arrangement are following the cooperative payment plan, she said. St. Elizabeth Hospital, which has operated its own blood program for some time, is not affiliated directly with the Red Cross plan at this time, but has cooperated with that organization's replacement program in the past.

Hospital administrator Sister Stanisla is to take up the proposal with members of the hospital board of directors, with a decision as to whether or not the hospital will participate expected late Wednesday.

Others attending the meeting were Tri-City Red Cross chapter vice-chairman Floyd T. Mitchell, who presided in the absence of chairman George Eubanks; and G. W. Hoelscher of the East Side Manufacturers Association.

Additional meetings of representatives of organizations for the purpose of outlining the program are planned by the Tri-City Red Cross chapter, which is being asked to co-ordinate the program.

One New Home In Madison's July Building Permits

One new home was included in the 12 building permits issued in Madison in July, according to the city's building department.

A residence permit was obtained by William A. Douglas, who plans to build a four-room brick veneer home costing \$10,000 at 1519 Fifth street.

A permit for a \$3000 two-room addition to his present home at 1017 Reynolds street was issued to Charles Maxwell.

Cecil Owen was authorized to carry out a rebuilding project, restoring a burned-out building at 1217 West Main street.

Howard Pinley expects to spend \$1000 remodeling and adding to his residence at 1229 Market street.

Winners of the scholarships from Granite City are Carol Miller, 2119 Delmar avenue, Patricia Pyrtle, 2681 East 28 street; Diana Hillen, 2125 Richmond avenue; Bennie McRaven, 2239 Bryan avenue; Peter M. Genesee, 2011 Wilson avenue; Carol Sue McDonald, 2812 Pine street; and Nancy L. Oehlkecker, 2401 Hemlock avenue.

Madison area winners are Carolyn Johnson, 613 West Third street; Leonard Gnojewski, 1801 Madison street; Sharon Sorenson, 1801 Madison street; John Hutchings, 1818 Third street; Paul Brawley, 1011 18th street; and Thomas Turner, 228 Terry street; and Elijah Gordon, 108 Curtis road.

From Venice and Lincoln, the winners are Darlene Moreland, 622 Lincoln avenue; Anita Sveas, 414 Lincoln avenue; and Hand, 431 Lincoln avenue; and Christine McGone, 118 Dixon road.

NEW MADISON AVENUE Signals Start Tuesday

A delay was encountered in starting operation of new electric signals at 27th street and Madison avenue last week, but Police Chief Raymond Williams said today the lights are scheduled to be turned on tomorrow and will operate 24 hours a day.

The new signals were ready last week, but the start was postponed to permit the extent of tree trimming necessary for the lights to be visible at a distance. Chief Williams said plans to erect warning signs on Madison avenue to advise motorists they are approaching traffic signals.

Installed at a cost of \$10,939, the lights are the first in the city to include special "warning" signals for pedestrians. The signals will be traffic actuated by vehicles on 27th street and also can be controlled by pedestrians. They are set to permit a continuous flow of traffic on Madison avenue, until vehicles on 27th street drive over the pavement treadles or pedestrians operate special buttons on the light standards.

Traffic Light Arrest A Belleville motorist, John Bridick, 32, was issued an arrest ticket Thursday by Granite City police on a charge of failing to stop for a flashing red traffic signal at Niederkirch and Madison avenues. He posted his driver's license as bond.

Scholarships To Two GC Students

Two June graduates of Granite City high school have been awarded scholarships to prepare for the teaching of handicapped children, George T. Wilkins, state superintendent of public instruction, announced today at Springfield.

The recipients are Carol Sue McDonald, daughter of Mr. and Mrs. Leslie McDonald, 2512 Pine street, and Nancy L. Oehlkecker, daughter of Mr. and Mrs. Walter Oehlkecker, Elm's trailer court, 23 Ridgeway avenue.

The two girls were among the Super half of their class and are eligible to enter one of the five state universities — Illinois State Normal at Normal, Northern at DeKalb, Southern at Carbondale or any of the local residence centers, Eastern at Charleston and Western at Macomb — the fall with matriculation, graduation, tuition and activity fees paid, Wilkins said.

The scholarships are authorized under the state program of sponsoring 250 students each year in the field of "special education."

Publicity committee appointees are Hilmer, chairman; Bridick, co-chairman; Bernard J. Matveyka, Granite City 12; Joseph Gruenfelder, Saline No. 1; Joseph Wesley Molloy, Alton 15; Richard F. Lucas, Collinsville No. 1; and James Vanzo, Edwardsville 10.

Thomas McRaven Passes CPA Examination

Thomas G. McRaven, 1741 Breckenridge avenue, was notified last week he has qualified as a certified public accountant by passing an examination by the Missouri State Board of Accountancy.

Employed with Arthur Anderson & Co., St. Louis, McRaven is married and the father of two boys, Thomas and William.

A 1952 graduate of Granite City high school, he received his bachelor of science degree in business administration from Bradley University in 1956. He is the son of Mr. and Mrs. Thomas H. McRaven, 2881 Iowa street.

KOFFEE KLATERSH MEET
The Koffee Klattersh club was entertained Wednesday in the home of Mrs. Margaret Frazier, 2708 Lincoln avenue.
Games were played for entertainment and those enjoying it. Receiving prizes were Mrs. Helen Frazier and Mrs. Alberta Mayfield who was a guest.
A dessert course was served to the prize winners, Mrs. Dorothy Valley, Mrs. Linda Donaldson, Mrs. Ruby King and two others, Mrs. Margo Benner and Mrs. Jo Ann King.

The next meeting will be in the King home on East 25th street.
Mr. and Mrs. Howard Walbridge and daughter, Patricia, 2812 National avenue, returned last week from a vacation visiting friends, Mr. and Mrs. DeLoos Thompson, of Marshalltown, Ia., Mr. and Mrs. Ed Shioh of Camden, Mo., and Wallace's mother, Mrs. Clara Wallace, of Clinton, Mo.

Ladies of the Good Shepherd Evangelical United Brethren Church visited a radio program Friday in St. Louis.
Taking part were Mesdames Mary Carwitz, Nancy Ford, Ann Rose, Emma Portell, Beverly Singleton, Doris Edwards, Jean Besty, Lillie Lear and Mary Layton. Mrs. Singleton was a music game prize winner.

Accident On Lot
Involved in an accident Friday afternoon of the A&P super-market parking lot, 2010 Madison avenue, were autos driven by Ronald L. Dillard, 25, of 2706 Cayuga street, who was entering the lot and Harry Smith, 39, of 1517 Johnson road, who was backing out of a parking space. Police said there was damage to the left front of Dillard's auto and to the rear of the Smith auto.

Police Disable BB Gun
Granite City police disabled the air rifle of a boy who reported he was shooting at another boy. The complaint was received Thursday from the 2100 block of Benton street. Police also notified the parents of the boy with the gun.

GC Bankers To Attend SIU Executive Session

Four Granite City bankers will be among the 140 attending the 1960 session of a school for the development of junior executives on the SIU Carbondale campus. Sept. 6-16, Donald M. Carlson, president of the sponsoring Illinois Bankers' Association announced today.

Students attending the school's eighth annual session from the Quad-City area will be Harry H. Nelson and George W. Reeves, both first-year students and assistant cashiers with the First Granite City National Bank. Second-year students at the school will be Oliver E. Jacobs, meyer, assistant cashier at the Granite City Trust & Savings Bank and Jake E. Henry with the First Granite City National Bank.

The curriculum offers a comprehensive course in banking practices, covering the broad areas of agricultural credits, consumer loans, commercial loans, economics, investments, operations, banking law, bank credit, public relations, administration, problems, and public speaking. Since its founding in 1953, the school with a faculty composed largely of banking officers, educators and specialists, has graduated 288 banker-students.

LOOK, MOM NO HANDS, That's how contestants tackled this mon-sized job Thursday evening at Wilson Park. On the right, Ronnie Muller pauses to gulp down some fresh air before slurping his way to victory in the watermelon contest in the closing festival for the Granite City park district's summer vacation program.

BOUNCING ACROSS the finish line with a "hop, skip and jump," Robin Teague leads a field of five contestants to victory in a sack race held as part of the concluding Granite City park district's summer recreation program at Wilson Park Thursday evening.

Festival Closes Park Recreation Season

The concluding exercises of the Granite City park district's summer recreation program got underway promptly at 6 p. m. in Wilson Park Thursday with hundreds of picknicking children and parents dotting the landscape with their festive spreads.

Upwards of 400 people attended the "get-together" loudly applauding the entertainment offered by the youngsters enrolled in the park district's six recreational centers.

Appetites sated, the small army, forsaking its TV sets for the occasion, went to the park's raised open-air stage near 27th street for a succession of live entertainment acts.

Warming the ever-increasing audience to a receptive pitch, summer counselors Karen Biebel and Elaine Dineff led the group in a community sing. Following the songs, Park Recreation Director Harold Brown officially welcomed the multitude, and then turned the show over to mistress-of-ceremonies and Summer Recreation Program Director Mrs. Helen Bjorkman.

Leading off the evening, five youths from as many centers pitted their hopping ability against each other in a knock-out, drag-out sack race. Contestants were: Robin Teague from the McKinley center; Rickley Rose, Marshall; Larry Pirtle, Logan; Roy Valencia, Lincoln Place; and David West-

erbrook from Emerson. In near-olimpic form, Robin Teague bounced through the red tape, to win the imaginary laurel wreath and circus parade.

Next, for those kids who still had some semblance of appetite, a "look, mom, no hands" watermelon eating contest was held. Wallowing their way through ripe, juicy sections were: Charles Westerbrook, Emerson; Ronald Muller, Lincoln Place; Wayne Woods, Namsok; Edward Lane, Logan; Daniel Cox, Marshall; and Michael Huff from McKinley. Ronnie Muller proved decisively "that he could consume 'the mostest, the fastest'."

Once the feats of athleticism and gastronomic prowess were out of the way, the evening's entertainment settled down to a more theatrical approach.

Each group, assigned to one of the recreational centers, performed in individualistic style under the guidance of its instructor. Lincoln Place offered a "pot and pan" symphony with Latin overtones; Logan school, filled the air with batons flying in all directions; Emerson school presented a tumbling trio of acrobatic dancing, and a duette of "Over the Waves," for saxophone and clarinet; McKinley, going heavily on the dramatic end, performed a Sleeping Beauty play, complete with villain and all the ingredients to thicken the plot, and as an encore the youngsters whirled and twirled to a rollicking square dance; and Namsok school brought the show to a close with its marching drill.

In between the various school acts, Miss Terry Reid put on imaginative acts of her own and a hairless dog.

Following the entertainment portion of the program, Barry Logan, board president, made awards to outstanding youths in the course of the season's activities. Playground attendance awards were presented to: Larry Pirtle and Joan Bailey, Logan; Marsha Galloway, Namsok; Shirley Thomson, Dennis Gregory and Jeff Jolley, McKinley; David Sumpter and Christina Heinz, Marshall; Diana Paulas and Mike Williams, Emerson; and Robert Rojas and Rachael Martinez, Lincoln Place.

For winning most often in the weekly tournaments held at the various centers, certificates were awarded to: Robert Rojas, Lincoln; Bonnie Williams and Michael Williams, Emerson; Jeff Jolley and Diane Argent, McKinley; Diana Pecceula and Robert Peache, Namsok; and Sharon Bloodworth, Logan school.

Closing the evening's program, Loman, Brown and Mrs. Bjorkman distributed balloons to the youngsters, and invited parents to correspond with park board members concerning improvement suggestions for next year's summer recreation program.

Mrs. Blanche White, Madison, Resident, Dies

Mrs. Blanche White, 61, of Apt. 11, Gareche Homes, Madison, died early Saturday morning at the Madison County Sanitarium, where she had been ill 15 days.

A member of St. Mary's Catholic Church, Mrs. White was born in St. Louis and moved to Madison 32 years ago. Her husband, John White, is a retired millwright formerly employed at the old Madison car shop.

She also is survived by a sister, Mrs. Grace DeCune of Mission Beach, Calif.

Funeral arrangements are given in the obituary column.

Two-Car Accident On Re. 67 Saturday Night

Illinois state police reported a two-car collision at 8:20 p.m. Saturday on route 67 about one-fourth mile south of the Cambridge viaduct.

A 1950 auto driven by Charles H. Smock, 29, of 2142 Johnson road, was involved in a collision with another driven by Kenneth C. Wylie, 25, East St. Louis.

Margaret Johnson, 25, owner of the auto Smock was driving, was a passenger with Smock.

Wylie told police he had slowed to approach about five inches of water on the highway when the car Smock was driving collided with the rear of his car.

No one was injured. Damage reported was about \$200 to the rear of Wylie's car and \$450 to the front of the car driven by Smock.

\$69,749 MFT For County

Madison county has been allocated \$69,749 as its share of motor fuel tax paid into the state treasury during July. It was announced today at Springfield. The total allocation for all counties in the state amounted to \$3,080,087.

Charged With Speeding

An arrest ticket charging him with speeding was issued Friday night by Granite City police to Gerald A. Fish, 23, of 2428 Illinois avenue. Fish, who was arrested in the 1500 block of Madison avenue, posted his driver's license as bond.

\$10 Stop Sign Fine

Found guilty of passing a stop sign at 10th street and Madison avenue about 10:30 p.m. Thursday, Edward Henry Hughes, 29, of Fairview Park, O., was assessed a fine of \$10 by Justice of the Peace Louis Kiser, Friday evening.

Charges Of Fighting Placed Against 2 Men

Granite City police were summoned about 12:30 p.m. Saturday to 24th street and Washington to a disturbance call. They arrested Harry E. Martin, 22, of Rural Route One, on charges of fighting and creating a disturbance; and Charles Warmack, 43, of 204 Madison avenue, Madison, on charges of fighting and no driver's license.

Police said the incident followed a near accident between autos of the two men a short distance away. They were freed on \$32 cash bonds.

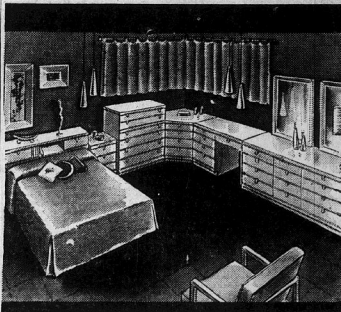

Traffic Light Arrest

James B. Wilson, 39, of National City, was arrested Sunday night at 20th street and Edison avenue on a charge of failing to observe a blinking red traffic signal at 20th street and Edison avenue. He posted his driver's license as bond.
